

Issues Pending Suspension or Delisting as of Feb 26, 2013

Each Trading day, NASDAQ publishes a list of NASDAQ issues that are pending suspension or delisting. An issue will appear on this list the first trading day after the issuer provides NASDAQ with notification of its intent to voluntarily delist. An issue will also appear on this list if it has been suspended for failure to meet continued listing requirements or due to other events; such as, expiration redemption or acquisition.

Issues will remain on this list until the first business day after the issue is delisted. An issue is delisted 10 calendar days from the date the Form 25, Notification of Removal from Listing and/or Registration, is filed with the Securities and Exchange Commission. These forms can be viewed by entering the company's name or the issue's symbol on the Commission's web site at <http://www.sec.gov/edgar/searchedgar/companysearch.html>
