1. Text of the Proposed Rule Change

(a) NASDAQ BX, Inc. The Exchange requests that the Commission waive the 30-day operative delay period contained in Exchange Act Rule 19b-4(f)(6)(iii).³

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1. There is no rule text for this proposed rule change.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

BX is filing this proposal to extend the implementation date of its functionality relating to Orders with Midpoint Pegging. The functionality relating to Orders with Midpoint Pegging was approved by the SEC on November 10, 2016.⁴

BX proposed to amend Rule 4703 (Order Attributes) to change Orders with Midpoint Pegging so that, if the Inside Bid and Inside Offer are crossed, any existing Order with Midpoint Pegging would be cancelled and any new Order with Midpoint Pegging would be rejected.⁵

BX initially proposed to implement the new Midpoint Pegging functionality on November 21, 2016.⁶ However, BX decided to delay the implementation of this new functionality to provide additional time for systems testing to no later than March 31, 2017.⁷

BX has now determined to delay the implementation of the functionality relating to Orders with Midpoint Pegging to no later than May 31, 2017 to allow additional time for systems testing. BX will announce the new implementation date by an Equity Trader Alert, which shall be issued prior to the implementation date.

⁴ See Securities Exchange Act Release No. 79290 (November 10, 2016), 81 FR 81184 (November 17, 2016) (SR-BX-2016-046).

⁷ See Securities Exchange Act Release No. 80046 (February 15, 2017), 82 FR 11385 (February 22, 2017) (SR-BX-2017-008).

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The purpose of this proposal is to inform the SEC and market participants of the new implementation date for the Midpoint Pegging functionality. This functionality was previously proposed in a rule filing that was submitted to the SEC, and this proposal does not change the substance of this functionality. BX is delaying the implementation date of this functionality to provide for further systems testing prior to implementing this functionality.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As noted above, the purpose of this proposal is to extend the implementation date for the Midpoint Pegging functionality so that BX may perform additional systems testing prior to implementing this functionality.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

⁸ 15 U.S.C. 78f(b).

⁹ 15 U.S.C. 78f(b)(5).

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)¹⁰ of the Act and Rule 19b-4(f)(6) thereunder¹¹ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

BX does not believe that this proposal significantly affects the protection of investors or the public interest, or impose any significant burden on competition. As noted above, the purpose of this proposal is to inform the SEC and market participants of the new implementation date of no later than May 31, 2017 for the Midpoint Pegging functionality. This functionality was previously proposed in a rule filing that was submitted to the SEC, and this proposal does not change the substance of that functionality. BX is delaying the implementation date of this functionality to no later than May 31, 2017 to provide for further systems testing prior to implementing this functionality.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that

¹⁰ 15 U.S.C. 78s(b)(3)(A)(iii).

¹¹ 17 CFR 240.19b-4(f)(6).

subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange previously announced that it would implement this functionality no later than March 31, 2017. The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) so that the new implementation date of no later than May 31, 2017 will be effective and operative upon filing, which will clarify the status of the Midpoint Pegging functionality to market participants.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

Not applicable.

9. Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act

Not applicable.

the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX is filing this proposal to extend the implementation date of its functionality relating to Orders with Midpoint Pegging. The functionality relating to Orders with Midpoint Pegging was approved by the SEC on November 10, 2016.³

BX proposed to amend Rule 4703 (Order Attributes) to change Orders with Midpoint Pegging so that, if the Inside Bid and Inside Offer are crossed, any existing Order with Midpoint Pegging would be cancelled and any new Order with Midpoint Pegging would be rejected.⁴

BX initially proposed to implement the new Midpoint Pegging functionality on November 21, 2016.⁵ However, BX decided to delay the implementation of this new functionality to provide additional time for systems testing to no later than March 31, 2017.⁶

BX has now determined to delay the implementation of the functionality relating to Orders with Midpoint Pegging to no later than May 31, 2017 to allow additional time

for systems testing. BX will announce the new implementation date by an Equity Trader Alert, which shall be issued prior to the implementation date.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁸ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The purpose of this proposal is to inform the SEC and market participants of the new implementation date for the Midpoint Pegging functionality. This functionality was previously proposed in a rule filing that was submitted to the SEC, and this proposal does not change the substance of this functionality. BX is delaying the implementation date of this functionality to provide for further systems testing prior to implementing this functionality.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As noted above, the purpose of this proposal is to extend the implementation date for the Midpoint Pegging functionality so that BX may perform additional systems testing prior to implementing this functionality.

⁸ 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
