SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84546; File No. SR-BX-2018-051]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Derivative Securities Traded Under Unlisted Trading Privileges

November 7, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 26, 2018, Nasdaq BX, Inc. ("Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Exchange's Rule 4421 related to derivative securities traded under unlisted trading privileges ("UTP") to: (i) Remove the requirement in Rule 4421(a)(1) for the Exchange to file with the Commission a Form 19b-4(e) for each "new derivative securities product" as defined in Rule 19b-4(e) under the Act³ ("Derivative Security") traded under UTP; (ii) add a word that was inadvertently omitted in the previous version of Rule 4421(a)(2); and (iii) renumber the remaining provisions of Rule 4421(a) to maintain an organized rule structure. The Exchange has designated this rule change as "non-controversial" under Section 19(b)(3)(A) of the Act⁴ and provided the Commission with the notice required by Rule 19b-4(f)(6) thereunder.⁵

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqbx.cchwallstreet.com/>, at the principal office of the Exchange, and

at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend Rule 4421 related to derivative securities traded under UTP by: (i) Removing the requirement in Rule 4421(a)(1) for the Exchange to file with the Commission a Form 19b-4(e) for each Derivative Security; (ii) adding a word that was inadvertently omitted in the previous version of Rule 4421(a)(2); and (iii) renumbering the remaining rules of Rule 4421(a) to maintain an organized rule structure, as described below.

Rule 4421(a)(1) sets forth the requirement for the Exchange to file with the Commission a Form 19b-4(e) with respect to each Derivative Security that is traded under UTP. However, the Exchange believes that it should not be necessary to file a Form 19b-4(e) with the Commission if it begins trading a Derivative Security on a UTP basis because Rule 19b-4(e)(1) under the Act refers to the "listing and trading" of a "new derivative securities product." The Exchange believes that the requirements of that Rule refer to when an exchange lists and trades a Derivative Security, and not when an exchange seeks only to trade such product on a UTP basis pursuant to Rule 12f-2 under the Act.⁶ Therefore, the Exchange proposes to delete the requirement in current Rule 4421(a)(1) for the Exchange to file a Form 19b-4(e) with the Commission with respect to each Derivative Security it begins trading on a UTP basis.

Rule 4421(a)(2) sets forth the requirement for the Exchange to distribute an information circular prior

to the commencement of trading a Derivative Security on a UTP basis. The Exchange proposes to add a "the" that was inadvertently omitted in the previous version of clause (c) of Rule 4421(a)(2) to enhance the readability of the Rule. This change is not substantive.

Lastly, as a result of the deletion of current Rule 4421(a)(1), the Exchange proposes to renumber current Rules 4421(a)(2)–(6), as Rules 4421(a)(1)–(5) respectively.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b)⁷ of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, eliminating the requirement to file a Form 19b-4(e) for each Derivative Security is consistent with the Act because the regulatory requirement was not intended to apply in the context of Derivative Securities trading on a UTP basis. The proposal, moreover, will provide for a more efficient process for adding Derivative Securities to trading on the Exchange on a UTP basis.

In addition, the Exchange notes that the Commission recently approved a substantially identical proposed rule change filed by NYSE National, Inc. ("NYSE National").⁹ In particular, the Commission noted in the NYSE National Approval Order that it "believes that the filing of a Form 19b-4(e) is not required when an Exchange is trading a new derivative securities product on a UTP basis only"¹⁰ and it also found that the NYSE National's proposed rule change was "consistent with the requirements of Section 6(b)(5) of the Act."¹¹

With respect to the addition of a "the" that was inadvertently omitted in the previous version of clause (c) of Rule 4421(a)(2), the Exchange believes that this change is consistent with the Act because it will improve the readability and clarity of the Rule. This change is not substantive.

⁹ See Securities Exchange Act Release No. 34-83289 (May 17, 2018), 83 FR 23968 (May 23, 2018) (Order Approving File No. SR-NYSENAT-2018-02) (the "NYSE National Approval Order").

¹⁰ See *supra* note 9, at 23975, n.149.

¹¹ See *supra* note 9 at page 23975-6.

Lastly, the Exchange believes that renumbering the current Rules 4421(a)(2)–(6) as Rules 4421(a)(1)–(5) is consistent with the Act because it will allow the Exchange to maintain a clear and organized rule structure, thus preventing investor confusion.

For these reasons, the Exchange believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.¹²

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, removing the requirement to file a Form 19b-4(e) will serve to enhance competition by providing for the efficient addition of Derivative Securities for trading under UTP on the Exchange. To the extent that a competitor marketplace believes that the proposed rule change places it at a competitive disadvantage, it may file with the Commission a proposed rule change to adopt the same or similar rule.

In addition, the proposal to add a "the" that was inadvertently omitted in the previous version of clause (c) of Rule 4421(a)(2) does not impact competition in any respect since it merely corrects a non-substantive rule text error.

Lastly, the proposal to renumber the current Rules 4421(a)(2)–(6) as Rules 4421(a)(1)–(5) does not impact competition in any respect since it merely maintains a clear and organized rule structure.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; or (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to

¹² See *supra* note 8.

⁶ 17 CFR 240.12f-2.

Section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(6) thereunder.¹⁴

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. Waiving the 30-day delay would permit the Exchange to more efficiently add Derivative Securities to the Exchange under UTP without the unnecessary requirement to file a 19b-4(e) with the Commission. The Commission also notes that because the Exchange is adopting a rule that is substantially identical to a similar NYSE National rule, the proposed change does not present any new or novel issues. Thus, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest and hereby waives the 30-day operative delay and designates the proposed rule change to be operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

¹⁴ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

All submissions should refer to File Number SR-BX-2018-051. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange.
