

multiplied by an average hourly rate of \$220⁶). The total resulting internal cost of compliance for a respondent is \$10,100 per year (2 responses × \$5,050 per response).

In addition to filing its proposed rule changes, and any amendments thereto, with the Commission, a respondent is also required to post each of its proposals and any amendments thereto, on its website. This process takes approximately 0.5 hours to complete per proposal and 0.5 hours per amendment. Thus, for the approximately 2 responses and 0 amendments,⁷ the total annual reporting burden on a respondent to post these on its website is 1 hour ((2 proposals per year × 0.5 hours per filing) + (0 amendments × 0.5 hours)). Further, a respondent is required to update its rulebook, which it maintains on its website, to reflect the changes that it makes in each proposal and any amendment thereto. Thus, for all filings that were not withdrawn by a respondent (0 withdrawn filings in calendar years 2017–2019) or disapproved by the Commission (0 disapproved filings in calendar years 2017–2019), a respondent was required to update its online rulebook to reflect the effectiveness of 3 filings on average, each of which takes approximately 4 hours to complete per proposal. Thus, the total annual reporting burden for updating an online rulebook is 8 hours ((2 filings per year – 0 withdrawn filings × – 0 disapproved filings) × 4 hours).

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Extension:
Rule 17f–2(e)

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17f–2(e) (17 CFR 240.17f–2(e)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17f–2(e) requires every member of a national securities exchange, broker, dealer, registered transfer agent, and registered clearing agency (“covered entities”) claiming an exemption from the fingerprinting requirements of Rule 17f–2 to make and keep current a statement entitled “Notice Pursuant to Rule 17f–2” (“Notice”) containing the information specified in paragraph (e)(1) to support their claim of exemption.

Rule 17f–2(e) contains no filing requirement. Instead, paragraph (e)(2) requires covered entities to keep a copy of the Notice in an easily accessible place at the organization’s principal office and at the office employing the persons for whom exemptions are claimed and to make the Notice available upon request for inspection by the Commission, appropriate regulatory agency (if not the Commission), or other designated examining authority. Notices prepared pursuant to Rule 17f–2(e) must be maintained for as long as the covered entity claims an exemption from the

fingerprinting requirements of Rule 17f–2. The recordkeeping requirement under Rule 17f–2(e) assists the Commission and other regulatory agencies with ensuring compliance with Rule 17f–2. This rule does not involve the collection of confidential information.

We estimate that approximately 75 respondents will incur an average burden of 30 minutes per year to comply with this rule, which represents the time it takes for a staff person at a covered entity to properly document a claimed exemption from the fingerprinting requirements of Rule 17f–2 in the required Notice and to properly retain the Notice according to the entity’s record retention policies and procedures. The total annual burden for all covered entities is approximately 38 hours (75 entities × .5 hours, rounded up).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–89871; File No. SR–BX–2020–026]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 4759.

September 15, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,²

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b–4.

notice is hereby given that on September 3, 2020, Nasdaq BX, Inc. (“BX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 4759 (Data Feeds Utilized) to change the primary and secondary source of quotation data of certain market centers in the list of proprietary and network processor feeds that the Exchange utilizes for the handling, routing, and execution of orders, as well as regulatory compliance processes related to those functions.

The text of the proposed rule change is available on the Exchange’s website at <https://listingcenter.nasdaq.com/rulebook/bx/rules>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update and amend the data feeds table in Rule 4759, which sets forth on a market-by-market basis the specific proprietary and network processor feeds that the Exchange utilizes for the handling, routing, and execution of orders, and for performing the regulatory compliance checks related to each of those functions. Specifically, the table would be amended to reflect that the Exchange will receive a direct feed from NYSE National, Inc. (“NYSE National”), NYSE Chicago, Inc. (“NYSE Chicago”), and

Investors Exchange LLC (“IEX”) as its primary quotation data source and CQS/UQDF will become its secondary data source for the handling, routing and execution of orders and for performing regulatory compliance processes related to each of those functions. The change to the primary sources reflects the Exchange’s effort to include an additional source in the event the primary source is unable to provide data.

The Exchange proposes to implement the proposed rule change no later than ninety (90) days following the effective date of the proposed rule change. The Exchange notes this additional time gives the Exchange time to configure its system accordingly.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,³ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁴ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange believes that the proposed rule change removes impediments to and perfects the mechanism of a free and open market because updating its data feeds table of market centers for which the exchange consumes quotation data through a direct feed will provide clarity to market participants. Additionally, it is necessary and consistent with the public interest and the protection of investors to update the Exchange’s table of market centers in Rule 4759 in order to provide transparency with respect to all the direct proprietary and network processor feeds from which the Exchange obtains market data.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issue; instead, its purpose is to enhance transparency with respect to the operation of the Exchange and its use of market data feeds.

⁴ 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(6) thereunder.⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Extension:
Rule 17a-10

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the

Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 17a-10 (17 CFR 240.17a-10) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

The primary purpose of Rule 17a-10 is to obtain the economic and statistical data necessary for an ongoing analysis of the securities industry. Paragraph (a)(1) of Rule 17a-10 generally requires broker-dealers that are exempted from the requirement to file monthly and quarterly reports pursuant to paragraph (a) of Exchange Act Rule 17a-5 (17 CFR 240.17a-5) to file with the Commission the Facing Page, a Statement of Income (Loss), and balance sheet from Part IIA of Form X-17A-5¹ (17 CFR 249.617), and Schedule I of Form X-17A-5 not later than 17 business days after the end of each calendar year.

Paragraph (a)(2) of Rule 17a-10 requires a broker-dealer subject to Rule 17a-5(a) to submit Schedule I of Form X-17A-5 with its Form X-17A-5 for the calendar quarter ending December 31 of each year. The burden associated with filing Schedule I of Form X-17A-5 is accounted for in the PRA filing associated with Rule 17a-5.

Paragraph (b) of Rule 17a-10 provides that the provisions of paragraph (a) do not apply to members of national securities exchanges or registered national securities associations that maintain records containing the information required by Form X-17A-5 and which transmit to the Commission copies of the records pursuant to a plan which has been declared effective by the Commission.

The Commission staff estimates that approximately 46 broker-dealers will spend an average of 12 hours per year complying with Rule 17a-10. Thus, the total compliance burden is estimated to be approximately 552 burden-hours per year.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
