3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

BX previously filed a proposed amendment to its ORF, effective as of January 1, 2025,<sup>4</sup> to amend its methodology of collection to: (1) exclude options transactions in proprietary products; and (2) assess ORF in all clearing ranges except market makers who clear as "M" at The Options Clearing Corporation ("OCC"). Additionally, BX proposed to assess a different rate for trades executed on BX ("Local ORF Rate") and trades executed on non-BX exchanges ("Away ORF Rate").<sup>5</sup>

At this time, the Exchange proposes to delay the implementation of SR-BX-2024-054 until June 1, 2025. With this delay, the Exchange would continue to assess the ORF that was in effect in December 2024 of \$0.0005 per contract side for January 2025 transactions and thereafter until June 1, 2025. In light of a comment letter from SIFMA dated December 20, 2024,<sup>6</sup> the Exchange proposes this delay to provide market participants additional time to track the new ORF charges on both Local and Away executions in the "Firm" range. This delay would allow market participants the additional time needed to design, test and implement changes to the ORF.

<sup>6</sup> <https://www.sec.gov/comments/sr-nasdaq-2024-078/srnasdaq2024078-550079-1574622.pdf>.

Additionally, the Exchange proposes to amend the sunset date from July 1, 2025 to December 1, 2025 in light of the proposed delay. The sunset date would revert the ORF back to the ORF methodology and rate of \$0.0005 per contract side that was in effect in December 2024.<sup>7</sup> The Exchange is not substantively amending the proposed ORF with this proposal.

b. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>8</sup> Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act<sup>9</sup>, which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its members, and other persons using its facilities. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>10</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange’s proposal to delay the implementation of SR-BX-2024-054 until June 1, 2025 is consistent with the Act because it will provide market participants additional time to track the new ORF charges on both Local and Away executions in the “Firm” range, providing additional time to design, test and implement changes to the ORF. The proposal to amend the sunset date from July 1, 2025 to December 1, 2025 is

also consistent with the Act as this proposal will not go into effect until June 1, 2025.

The Exchange is not substantively amending the proposed ORF with this proposal.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on intra-market competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange will continue to assess the ORF in effect in December 2024 to all Participants. No Participant would be subject to the proposed new ORF until June 1, 2025. The Exchange is not substantively amending the proposed ORF with this proposal.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A)(ii) of the Act,<sup>11</sup> the Exchange has designated this proposal as establishing or changing a due, fee, or other charge imposed by the self-regulatory organization on any person, whether or not the person is a member of the self-regulatory organization, which renders the proposed rule change effective upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for

the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX previously filed a proposed amendment to its ORF, effective as of January 1, 2025,<sup>4</sup> to amend its methodology of collection to: (1) exclude options transactions in proprietary products; and (2) assess ORF in all clearing ranges except market makers who clear as "M" at The Options Clearing Corporation ("OCC"). transactions and thereafter until June 1, 2025. In light of a comment letter from SIFMA dated December 20, 2024,<sup>6</sup> the Exchange proposes this delay to provide market participants additional time to track the new ORF charges on both Local and Away executions in the “Firm” range. This delay would allow market participants the additional time needed to design, test and implement changes to the ORF.

Additionally, the Exchange proposes to amend the sunset date from July 1, 2025 to December 1, 2025 in light of the proposed delay. The sunset date would revert the ORF back to the ORF methodology and rate of \$0.0005 per contract side that was in effect in December 2024.<sup>7</sup> The Exchange is not substantively amending the proposed ORF with this proposal.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>8</sup> Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act<sup>9</sup>, which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its members, and other persons using its facilities. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>10</sup> requirement that the rules of an exchange not be

designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange's proposal to delay the implementation of SR-BX-2024-054 until June 1, 2025 is consistent with the Act because it will provide market participants additional time to track the new ORF charges on both Local and Away executions in the "Firm" range, providing additional time to design, test and implement changes to the ORF. The proposal to amend the sunset date from July 1, 2025 to December 1, 2025 is also consistent with the Act as this proposal will not go into effect until June 1, 2025. The Exchange is not substantively amending the proposed ORF with this proposal.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on intra-market competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange will continue to assess the ORF in effect in December 2024 to all Participants. No Participant would be subject to the proposed new ORF until June 1, 2025. The Exchange is not substantively amending the proposed ORF with this proposal.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.<sup>11</sup>

<sup>11</sup> 15 U.S.C. 78s(b)(3)(A)(ii).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
