In connection with a technology migration to an enhanced Nasdaq, Inc. Each of the aforementioned rule changes (collectively “Impacted Rule Changes”) indicated that the technology migration for GEMX would commence prior to September 1, 2023 or Q3.

New Implementation

The Exchange will announce the initial migration date and symbol rollout schedule to Members in an Options Trader Alert.

The Exchange proposes to delay the migration to allow the Exchange and its Members additional time to test the new functionality.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁸ in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest for the reasons discussed below. successful migration while protecting investors and the public interest by allowing the Exchange and Members more time to test.

The Exchange notes that the substance of the impacted rules is not changing, only the implementation timeline is changing with this proposal.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to delay the implementation of the Impacted Rule Changes for a few months does not impose an undue burden on competition. The proposed delay will allow the Exchange and its Members additional time to test the new functionality.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

The Exchange's proposal does not significantly affect the protection of investors or the public interest nor does it impose any significant burden on competition. The proposal to delay the implementation of the Impacted Rule Changes will allow the Exchange and its Members additional time to test the new functionality.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In connection with a technology migration to an enhanced Nasdaq, Inc. ("Nasdaq") functionality, the Exchange filed various rule changes to adopt certain trading functionality currently utilized at Nasdaq affiliate exchanges. At this time, the Exchange proposes to delay the implementation of the various rule changes. Each impacted rule change and the new implementation date is described below.

Impacted Rule Filings

The Exchange filed the following rule changes in connection with its technology migration:

GEMX Options 5 Rules incorporate ISE Options 5 by reference.

⁴ See Securities Exchange Act Release No. 96363 (November 18, 2022), 87 FR 72556 (November 25, 2022) (SR-GEMX-2022-10) (Notice of Filing and

- SR-GEMX-2022-13 which amended PIM;⁵ and
- SR-GEMX-2023-02 a rule change amending multiple functionalities.⁶

Each of the aforementioned rule changes (collectively “Impacted Rule Changes”) indicated that the technology migration for GEMX would commence prior to September 1, 2023 or Q3.

New Implementation

At this time, the Exchange proposes to delay the implementation of the Impacted Rule Changes, which all relate to GEMX’s upcoming technology migration, to a date prior to December 29, 2023. The Exchange will announce the initial migration date and symbol rollout schedule to Members in an Options Trader Alert.

The Exchange proposes to delay the migration to allow the Exchange and its Members additional time to test the new functionality.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁸ in particular,

Immediate Effectiveness of Proposed Rule Change To Amend ATR and Re-Pricing Rules in Connection With a Technology Migration to Enhanced Nasdaq Functionality).

⁵ See Securities Exchange Act Release No. 96519 (December 16, 2022), 87 FR 78717 (December 22, 2022) (SR-GEMX-2022-13) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Certain Functionality in Connection With a Technology Migration).

in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest for the reasons discussed below. The Exchange proposes to delay the implementation of the Impacted Rule Changes, which all relate to GEMX's upcoming technology migration, a few months to allow the Exchange and its Members additional time to test the new functionality. The Exchange believes that the delay is consistent with the Act because the additional time will allow the Exchange to ensure a successful migration while protecting investors and the public interest by allowing the Exchange and Members more time to test.

The Exchange notes that the substance of the impacted rules is not changing, only the implementation timeline is changing with this proposal.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to delay the implementation of the Impacted Rule Changes for a few months does not impose an undue burden on competition. The proposed delay will allow the Exchange and its Members additional time to test the new functionality.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

⁸ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

⁹ 15 U.S.C. 78s(b)(3)(A)(iii).

¹⁰ 17 CFR 240.19b-4(f)(6).
