Specifically, the Exchange proposes to delay the new ORF and methodology therein which will be implemented on June 1, 2025 and sunset on December 1, 2025.<sup>4</sup>

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

MRX previously filed a proposed amendment to its ORF, effective as of January 1, 2025,<sup>5</sup> to amend its methodology of collection to: (1) exclude options transactions in proprietary products; and (2) assess ORF in all clearing ranges except market makers who clear as “M” at The Options Clearing Corporation (“OCC”).<sup>6</sup> Additionally, MRX proposed to assess a different rate for trades executed on MRX (“Local ORF Rate”) and trades executed on non-MRX exchanges (“Away ORF Rate”).<sup>7</sup>

At this time, the Exchange proposes to delay the implementation of SR-MRX-2024-45, with respect to the new ORF and methodology therein which was effective on January 1, 2025, so that it would now be implemented on June 1, 2025. Delaying the January 1, 2025 implementation would allow the Exchange to continue to assess the ORF that was in effect in December 2024 of \$0.0004 per contract side for January 2025 transactions and thereafter until June 1, 2025. In light of a comment letter from SIFMA dated December 20, 2024,<sup>8</sup> the Exchange proposes this delay to provide market participants additional time to track the new ORF charges on both Local and Away

<sup>6</sup> ORF revenues are not used to fund the building or operation of CAT systems that are funded through a separate CAT Fee.

executions in the “Firm” range. This delay would allow market participants the additional time needed to design, test and implement changes to the ORF.

Additionally, the Exchange proposes to amend the sunset date from July 1, 2025 to December 1, 2025 in light of the proposed delay. The sunset date would revert the ORF back to the ORF methodology and rate of \$0.0004 per contract side that was in effect in December 2024.<sup>9</sup> The Exchange is not substantively amending the proposed ORF with this proposal.

b. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>10</sup> Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act<sup>11</sup>, which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its members, and other persons using its facilities. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>12</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange’s proposal to delay the implementation of SR-MRX-2024-45, with respect to the new ORF and methodology therein which was effective on January 1, 2025, until June 1, 2025 is consistent with the Act because it will provide market

participants additional time to track the new ORF charges on both Local and Away executions in the “Firm” range, providing additional time to design, test and implement changes to the ORF. The proposal to amend the sunset date from July 1, 2025 to December 1, 2025 is also consistent with the Act as this proposal will not go into effect until June 1, 2025. The Exchange is not substantively amending the proposed ORF with this proposal.

4. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on intra-market competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange will continue to assess the ORF in effect in December 2024 to all Members. No Member would be subject to the proposed new ORF until June 1, 2025. The Exchange is not substantively amending the proposed ORF with this proposal.

The Exchange does not believe that the proposed rule change will impose any burden on inter-market competition not necessary or appropriate in furtherance of the purposes of the Act as other options exchanges may elect to adopt a similar proposal and select their own implementation date.

5. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others  
No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A)(ii) of the Act,<sup>13</sup> the Exchange has designated this proposal as establishing or changing a due, fee, or other charge imposed by the self-regulatory organization on any person, whether or not the person is a member of the self-regulatory organization, which renders the proposed rule change effective upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION  
(Release No. \_\_\_\_\_ ; File No. SR-MRX-2025-05)

January \_\_, 2025

Self-Regulatory Organizations; Nasdaq MRX, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delay the Implementation of SR-MRX-2024-45, Related to the Options Regulatory Fee

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup>, and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 28, 2025, Nasdaq MRX, LLC (“MRX” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delay the implementation of SR-MRX-2024-45,<sup>3</sup> which amended MRX’s Options Regulatory Fee (“ORF”). Specifically, the Exchange proposes to delay the new ORF and methodology therein which will be implemented on June 1, 2025 and sunset on December 1, 2025.<sup>4</sup>

<sup>4</sup> On January 13, 2025, SR-MRX-2025-03 was filed. The Exchange is withdrawing SR-MRX-2025-03 on January 28, 2025 and replacing it with this rule change.

The text of the proposed rule change is available on the Exchange's Website at <https://listingcenter.nasdaq.com/rulebook/MRX/rulefilings>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

MRX previously filed a proposed amendment to its ORF, effective as of January 1, 2025,<sup>5</sup> to amend its methodology of collection to: (1) exclude options transactions in proprietary products; and (2) assess ORF in all clearing ranges except market makers who clear as "M" at The Options Clearing Corporation ("OCC").<sup>6</sup> Additionally, MRX proposed to assess a different rate for trades executed on MRX ("Local ORF Rate") and trades executed on non-MRX exchanges ("Away ORF Rate").<sup>7</sup>

At this time, the Exchange proposes to delay the implementation of SR-MRX-2024-45, with respect to the new ORF and methodology therein which was effective on

<sup>7</sup> See supra note 3.

January 1, 2025, so that it would now be implemented on June 1, 2025. Delaying the January 1, 2025 implementation would allow the Exchange to continue to assess the ORF that was in effect in December 2024 of \$0.0004 per contract side for January 2025 transactions and thereafter until June 1, 2025. In light of a comment letter from SIFMA dated December 20, 2024,<sup>8</sup> the Exchange proposes this delay to provide market participants additional time to track the new ORF charges on both Local and Away executions in the “Firm” range. This delay would allow market participants the additional time needed to design, test and implement changes to the ORF.

Additionally, the Exchange proposes to amend the sunset date from July 1, 2025 to December 1, 2025 in light of the proposed delay. The sunset date would revert the ORF back to the ORF methodology and rate of \$0.0004 per contract side that was in effect in December 2024.<sup>9</sup> The Exchange is not substantively amending the proposed ORF with this proposal.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>10</sup> Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act<sup>11</sup>, which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its members, and other

<sup>8</sup> <https://www.sec.gov/comments/sr-nasdaq-2024-078/srnasdaq2024078-550079-1574622.pdf>

<sup>10</sup> 15 U.S.C. 78f(b).

persons using its facilities. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>12</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange's proposal to delay the implementation of SR-MRX-2024-45, with respect to the new ORF and methodology therein which was effective on January 1, 2025, until June 1, 2025 is consistent with the Act because it will provide market participants additional time to track the new ORF charges on both Local and Away executions in the "Firm" range, providing additional time to design, test and implement changes to the ORF. The proposal to amend the sunset date from July 1, 2025 to December 1, 2025 is also consistent with the Act as this proposal will not go into effect until June 1, 2025. The Exchange is not substantively amending the proposed ORF with this proposal.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on intra-market competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange will continue to assess the ORF in effect in December 2024 to all Members. No Member would be subject to the proposed new ORF until June 1, 2025. The Exchange is not substantively amending the proposed ORF with this proposal.

The Exchange does not believe that the proposed rule change will impose any burden on inter-market competition not necessary or appropriate in furtherance of the

---

<sup>12</sup> 15 U.S.C. 78f(b)(5).

purposes of the Act as other options exchanges may elect to adopt a similar proposal and select their own implementation date.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.<sup>13</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
