3. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

a. <u>Purpose</u>

NASDAQ is proposing to eliminate the free period of the recently-adopted³ Limit Up/Limit Down Band Lookup add-on service to TradeInfo due to technical issues discovered in the launch of the service. As a consequence of these issues, NASDAQ was unable to launch the service and must make changes to its software to enable members to subscribe. NASDAQ will offer the service beginning May 1, 2013, at which time the monthly fee will be assessed on subscribers consistent with the rule.

b. <u>Statutory Basis</u>

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁴ in general, and with Section $6(b)(4)^5$ of the Act, in particular. The Exchange believes it is consistent with Section 6(b)(4) of the Act because it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which the Exchange operates or controls. NASDAQ is eliminating the period during which the service is available at no cost because it has encountered technical issues that prevent it from offering the service until May 1, 2013. NASDAQ is eliminating the free period for all member firms, and no member firms will have access to the service until it is offered on May 1, 2013, at which time the fee will apply. To date, no member firms have subscribed to the service, and as a consequence no member firms will be required to unsubscribe from the service. As such, the Exchange believes that the elimination of the free period is reasonable.

4. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. NASDAQ notes that no member firms have subscribed to the service to date, and as a consequence no member firms will be affected by the elimination of the free period for the service. NASDAQ further notes that the member firms may access the information provided by the service through other means, so to the extent that there

is a burden on competition resulting from the delay in offering the service, it is

appropriate in furtherance of the purposes of the Act, as amended.

5. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule</u> <u>Change Received from Members, Participants, or Others</u>

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. <u>Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated</u> Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A)(ii) of the Act,⁶ NASDAQ has designated this

proposal as establishing or changing a due, fee, or other charge imposed by the self-

regulatory organization on any person, whether or not the person is a member of the self-

regulatory organization, which renders the proposed rule change effective upon filing.

8. <u>Proposed Rule Change Based on Rules of Another Self-Regulatory Organization</u> <u>or of the Commission</u>

organization or of the Commission.

II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

In its filing with the Commission, NASDAQ included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory</u> <u>Basis for, the Proposed Rule Change</u>

1. <u>Purpose</u>

NASDAQ is proposing to eliminate the free period of the recently-adopted³ Limit Up/Limit Down Band Lookup add-on service to TradeInfo due to technical issues discovered in the launch of the service. As a consequence of these issues, NASDAQ was unable to launch the service and must make changes to its software to enable members to subscribe. 2. <u>Statutory Basis</u>

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁴ in general, and with Section $6(b)(4)^5$ of the Act, in particular. The Exchange believes it is consistent with Section 6(b)(4) of the Act because it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which the Exchange operates or controls. NASDAQ is eliminating the period during which the service is available at no cost because it has encountered technical issues that prevent it from offering the service until May 1, 2013. believes that the elimination of the free period is reasonable.

B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. NASDAQ notes that no member firms have subscribed to the service to date, and as a consequence no member firms will be affected by the elimination of the free period for the service. NASDAQ further notes that the member firms may access the information provided by the service through other means, so to the extent that there is a burden on competition resulting from the delay in offering the service, it is appropriate in furtherance of the purposes of the Act, as amended.
