1. Text of Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² The NASDAQ Stock Market LLC (“NASDAQ” or “Exchange”) is filing with the Securities and Exchange Commission (“Commission”) a proposal to delay implementation of changes to Rules 4751(h) and 4754(b).

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of NASDAQ pursuant to authority delegated by the Board of Directors of NASDAQ on July 16, 2014. NASDAQ staff will advise the Board of Directors of NASDAQ of any action taken pursuant to delegated authority. No other action by NASDAQ is necessary for the filing of the rule change.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

NASDAQ is proposing to delay implementation of changes to Rules 4751(h) and 4754(b) relating to the closing process, which are effective but not yet implemented. On December 16, 2014, the Exchange filed an immediately effective filing³ to amend the processing of the Closing Cross under Rule 4754(b) to adopt a "Lockdown Period," the point at which NASDAQ will close the order book for participation in the Closing Cross. The Exchange also amended Rule 4751(h) to harmonize the processing of Market Hours Day orders⁴ and Good-til-market close orders⁵ upon initiation of the Lockdown Period.

The Exchange had originally anticipated implementing the changes in mid-February 2015, after the expiration of the 30 day operative delay provided by Rule 19b-4(f)(6)(iii) under the Act.⁶ The Exchange, however, has experienced unanticipated delay in the development of the changes to its systems, which has made the original implementation date unachievable. The Exchange believes it will be able to implement the changes on April 13, 2015, and is providing notice of the delay and new implementation date.

⁴ See Rule 4751(h)(6).

⁵ See Rule 4751(h)(8).

⁶ 17 CFR 240.19b-4(f)(6)(iii).

b. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁷ in general, and with Section 6(b)(5) of the Act,⁸ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the changes NASDAQ is making to Rules 4751(h) and 4754(b) promote consistency and transparency in the process for handling orders in the closing process. Delaying implementation of the changes for brief period so that NASDAQ may implement the changes to its systems necessary to ensure that the Lockdown Period and processing of Market Hours Day and Good-til-market close orders are handled in the Closing Cross operate as planned promotes fair and orderly markets, the protection of investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the

⁷ 15 U.S.C. 78f.

⁸ 15 U.S.C. 78f(b)(5).

Act, as amended.⁹ The Exchange believes that the proposal is irrelevant to competition because it is not driven by, and will have no impact on, competition. Specifically, the proposal is representative of the Exchange's efforts to harmonize and simplify the processing of orders during the closing process.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6)¹¹ thereunder in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The Exchange has provided the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule. The proposal meets the requirements of the Rule 19b-4(f)(6) because the proposal presents no new or novel

issues that impact investor protection. Specifically, the Exchange does not believe that the proposed change will significantly affect the protection of investors or the public interest because it delays implementation of the changes to the closing process for a brief time so that the Exchange can make the necessary programming changes discussed above, which will ensure that the new process performs as originally intended.

Moreover, the Exchange does not believe that the proposed change will impose a burden on competition whatsoever, as it is not driven by, and will have no impact on, competition.

The Exchange respectfully requests that the Commission waive the 30-day operative delay so that the proposed delay of the rule change implantation may become effective and operative upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act¹² and paragraph (f)(6) of Rule 19b-4¹³ thereunder. Waiver of the 30-day operative delay will allow the Exchange to postpone implementation of the closing process changes immediately, prior to the operative date of those changes. Waiver of the operative delay is consistent with the protection of investors and the public interest for the reasons described above.

2. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁷ in general, and with Section 6(b)(5) of the Act,⁸ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.⁹ The Exchange believes that the proposal is irrelevant to competition because it is not driven by, and will have no impact on, competition. Specifically, the proposal is representative of the Exchange's efforts to harmonize and simplify the processing of orders during the closing process.
