1. Text of Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² The NASDAQ Stock Market LLC (“NASDAQ” or “Exchange”) is filing with the Securities and Exchange Commission (“Commission”) a proposal to postpone implementation of changes to Rule 4751(h)(5).

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of NASDAQ pursuant to authority delegated by the Board of Directors of NASDAQ on July 16, 2014. NASDAQ staff will advise the Board of Directors of NASDAQ of any action taken pursuant to delegated authority. No other action by NASDAQ is necessary for the filing of the rule change.

Questions regarding this rule filing may be directed to T. Sean Bennett, Associate General Counsel, The NASDAQ OMX Group, Inc., (301) 978-8499.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

NASDAQ is proposing to postpone implementation of changes to Rule 4751(h)(5) relating to processing of Market Hours IOC (“MIOC”) orders and to make

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

clarifying changes to the rule, which are effective but not yet implemented. On March 6, 2015, the Exchange filed an immediately effective filing³ to amend the processing of MIOC orders under Rule 4751(h)(5). MIOC is a Time in Force⁴ characteristic of an order that will cause it (or unexecuted portion thereof) to be canceled if, after entry into the System the order (or unexecuted portion thereof) becomes non-marketable during the Regular Market Session, 9:30 a.m. until 4:00 p.m. Eastern Time.⁵ Currently, MIOC orders entered from 4 a.m. Eastern Time to immediately prior to 9:30 a.m. Eastern Time are held by the System until 9:30 a.m. Eastern Time, at which time the System determines whether such orders are marketable. The Exchange proposed to no longer accept MIOC orders entered prior to the beginning of the Regular Market Session. The Exchange also proposed clarifying the rule text to make it clear that MIOC orders will be available for order entry and execution beginning at completion of the Opening Cross.

The Exchange had originally anticipated implementing the changes on April 13, 2015. The Exchange, however, has experienced unanticipated delay in the development of the changes to its systems, which has made the original implementation date unachievable. The Exchange believes it will be able to implement the changes sometime in the second quarter of 2015, and will provide notice of the implementation date of the changes in an Equity Trader Alert not less than 30 days prior to implementation.

³ Securities Exchange Act Release No. 74518 (March 17, 2015), 80 FR 15260 (March 23, 2015) (SR-NASDAQ-2015-022).

⁴ Time in Force is the period of time that the System will hold an order for potential execution. See Rule 4751(h).

⁵ As defined by Rule 4120(b)(4)(D).

b. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁶ in general, and with Section 6(b)(5) of the Act,⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the changes NASDAQ is making to Rule 4751(h)(5) promote consistency and transparency in the process for handling MIOC orders. Delaying implementation of the changes for brief period so that NASDAQ may implement and test the changes to its systems necessary to ensure that the processing of MIOC orders operate as planned promotes fair and orderly markets, and the protection of investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.⁸ The Exchange believes that the proposal is irrelevant to competition because it is not driven by, and will have no impact on, competition. Specifically, the

⁷ 15 U.S.C. 78f(b)(5).

⁸ 15 U.S.C. 78f(b)(8).

proposal is representative of the Exchange's efforts to harmonize and simplify the processing of orders. Delaying implementation of the proposal will ensure the proposed changes are adequately implemented and tested.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The Exchange has provided the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule. The proposal meets the requirements of the Rule 19b-4(f)(6) because the proposal presents no new or novel issues that impact investor protection. Specifically, the Exchange does not believe that the proposed change will significantly affect the protection of investors or the public

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4(f)(6).

interest because it delays implementation of the changes to the closing process for a brief time so that the Exchange can make the necessary programming changes discussed above, which will ensure that the new process performs as originally intended. Moreover, the Exchange does not believe that the proposed change will impose a burden on competition whatsoever, as it is not driven by, and will have no impact on, competition.

The Exchange respectfully requests that the Commission waive the 30-day operative delay so that the proposed delay of the rule change implantation may become effective and operative upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act¹¹ and paragraph (f)(6) of Rule 19b-4¹² thereunder. Waiver of the 30-day operative delay will allow the Exchange to postpone implementation of the proposed changes immediately, prior to the operative date of those changes. Waiver of the operative delay is consistent with the protection of investors and the public interest for the reasons described above.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

The text of the proposed rule change is available on the Exchange’s Website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it

² 17 CFR 240.19b-4.

received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ is proposing to delay implementation of changes to Rule 4751(h)(5) relating to processing of Market Hours IOC (“MIOC”) orders and to make clarifying changes to the rule, which are effective but not yet implemented. On March 6, 2015, the Exchange filed an immediately effective filing³ to amend the processing of MIOC orders under Rule 4751(h)(5). MIOC is a Time in Force⁴ characteristic of an order that will cause it (or unexecuted portion thereof) to be canceled if, after entry into the System the order (or unexecuted portion thereof) becomes non-marketable during the Regular Market Session, 9:30 a.m. until 4:00 p.m. Eastern Time.⁵ Currently, MIOC orders entered from 4 a.m. Eastern Time to immediately prior to 9:30 a.m. Eastern Time are held by the System until 9:30 a.m. Eastern Time, at which time the System determines whether such orders are marketable. The Exchange proposed to no longer accept MIOC orders entered prior to the beginning of the Regular Market Session. The Exchange also proposed clarifying the rule text to make it clear that MIOC orders will be available for order entry and execution beginning at completion of the Opening Cross.

³ Securities Exchange Act Release No. 74518 (March 17, 2015), 80 FR 15260 (March 23, 2015) (SR-NASDAQ-2015-022).

⁴ Time in Force is the period of time that the System will hold an order for potential execution. See Rule 4751(h).

⁵ As defined by Rule 4120(b)(4)(D).

The Exchange had originally anticipated implementing the changes on April 13, 2015. The Exchange, however, has experienced unanticipated delay in the development of the changes to its systems, which has made the original implementation date unachievable. The Exchange believes it will be able to implement the changes sometime in the second quarter of 2015, and will provide notice of the implementation date of the changes in an Equity Trader Alert not less than 30 days prior to implementation.

2. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁶ in general, and with Section 6(b)(5) of the Act,⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the changes NASDAQ is making to Rule 4751(h)(5) promote consistency and transparency in the process for handling MIOC orders. Delaying implementation of the changes for brief period so that NASDAQ may implement and test the changes to its systems necessary to ensure that the processing of MIOC orders operate as planned promotes fair and orderly markets, and the protection of investors and the public interest.

⁶ 15 U.S.C. 78f.

⁷ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.⁸ The Exchange believes that the proposal is irrelevant to competition because it is not driven by, and will have no impact on, competition. Specifically, the proposal is representative of the Exchange's efforts to harmonize and simplify the processing of orders. Delaying implementation of the proposal will ensure the proposed changes are adequately implemented and tested.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰ At any time within 60 days of the filing of the proposed rule change, the

⁹ 15 U.S.C. 78s(b)(3)(a)(iii).

¹⁰ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
