SR-NASDAQ-2015-161 Amendment No. 3

The NASDAQ Stock Market LLC (“Nasdaq” or “Exchange”) is filing this Amendment No. 3 to SR-NASDAQ-2015-161, as amended by Amendment No. 1 and Amendment No. 2, to make the following change:

1. After the first full paragraph on page 28 of 70 of the 19b-4, as well as after the last paragraph on page 61 of 70 of the Exhibit 1, insert the following language:

“All statements and representations made in this filing regarding (a) the description of the portfolios, (b) limitations on portfolio holdings or reference assets, or (c) the applicability of Exchange rules and surveillance procedures shall constitute continued listing requirements for listing the Shares on the Exchange. In addition, the issuer has represented to the Exchange that it will advise the Exchange of any failure by the Funds to comply with the continued listing requirements, and, pursuant to its obligations under Section 19(g)(1) of the Act, the Exchange will monitor for compliance with the continued listing requirements. If a Fund is not in compliance with the applicable listing requirements, the Exchange will commence delisting procedures under the Nasdaq 5800 Series.”

The Exchange believes that the proposed rule change, as modified by this amendment, is consistent with the requirement of Section 6(b)(5) of the Securities Exchange Act of 1934 that an exchange has rules that are designed, among other things, to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest. The proposed rule change provides that the statements and representations in the

filing, as referenced above, constitute continued listing requirements for listing the Shares of the Funds on the Exchange; that the Exchange will monitor for compliance with the continued listing requirements; and, that, if the Funds are not in compliance with the applicable listing requirements, the Exchange will commence delisting procedures. The proposed rule change, therefore, facilitates the Funds' continued compliance with Exchange rules and the representations in the filing.

All other representations in the filing remain as stated therein and no other changes are being made.
