1. Text of the Proposed Rule Change

(a) Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposed rule change with respect to the Eaton Vance Floating-Rate & High Income NextShares (the “Fund”), a series of Eaton Vance NextShares Trust II (the “Trust”).

The proposed rule change is being filed to reflect a proposed revision to the Fund’s name and modify its proposed investments (which are set forth in an order previously granted by the Commission<sup>3</sup>). All capitalized terms referenced but not defined herein have the same meaning as in the Prior Release.

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1.

Except for the changes discussed herein, all other facts presented and representations made in the Prior Release with respect to the Fund remain unchanged and in full effect.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of Nasdaq pursuant to authority delegated to it by the Board of Directors of Nasdaq on July 1, 2015.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The shares of the Fund will be offered by the Trust. The Trust is registered with the Commission as an open-end investment company and has filed a registration statement on Form N-1A ("Registration Statement") with the Commission.<sup>4</sup> The Fund is a series of the Trust.

The Commission previously approved the listing and trading on the Exchange of the shares of the Fund under Nasdaq Rule 5745, which governs the listing and trading of NextShares™ on the Exchange.<sup>5</sup> The shares of the Fund have not commenced trading on the Exchange.

---

<sup>4</sup> See Registration Statement on Form N-1A for the Eaton Vance NextShares Trust II dated December 10, 2015 (File Nos. 333-197734 and 811-22983).

<sup>5</sup> The Commission approved Nasdaq Rule 5745 in Securities Exchange Act Release No. 73562 (November 7, 2014), 79 FR 68309 (November 14, 2014) (SR-NASDAQ-2014-020).

In this proposed rule change, the Exchange proposes to change the Fund's name and modify its proposed investments.<sup>6</sup> As stated in the Prior Release, the Fund is named Eaton Vance Floating-Rate & High Income NextShares and it normally will invest primarily in a combination of income-producing floating rate loans and other floating rate debt securities and high-yield corporate bonds. As proposed, the Fund will be renamed Eaton Vance Floating-Rate NextShares and it normally will invest primarily in income-producing floating rate loans and other floating rate debt securities.

Beyond the changes described above, there are no changes to any other information included in the Prior Release, except as made in the Amended Release; and all other facts presented and representations made in the Prior Release remain true and in effect. The Trust confirms that the Fund will continue to comply with all initial listing requirements under Nasdaq Rule 5745.

b. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act, in general, and Section 6(b)(5) of the Act, in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and in general, to protect investors and the public interest. The Fund will continue to comply with all the initial and continued listing requirements under Nasdaq Rule 5735.

---

<sup>6</sup> The changes described herein will be reflected in a revised prospectus and statement of additional information for the Fund to be filed with the Commission. The changes described herein will not be implemented until such proposed rule change is declared operative.

The Exchange believes that the proposed rule change to change the Fund's name and to modify its proposed investments does not alter any of the arguments contained in the Prior Release in support of the original approval order that permitted the listing and trading of shares of the Fund and all other representations made in the Prior Release remain unchanged. The Exchange believes this proposed rule change is consistent with the Exchange's efforts to protect investors and the public interest through the disclosure of updated and correct information regarding the Fund.

For the above reasons, Nasdaq believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. In fact, the Exchange believes that the introduction of the Fund will promote competition by making available to investors an actively managed investment strategy in a structure that offers the cost and tax efficiencies and shareholder protections of ETFs, while removing the requirement for daily portfolio holdings disclosure to ensure a tight relationship between market trading prices and NAV.

Moreover, the Exchange believes that the proposed method of trading in NextShares will provide investors with transparency of trading costs, and the ability to control trading costs using limit orders, that is not available for conventionally traded ETFs.

These developments could significantly enhance competition to the benefit of the markets and investors.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The proposed rule change is filed for immediate effectiveness pursuant to Section 19(b)(3)(A)<sup>7</sup> of the Act and Rule 19b-4(f)(6) thereunder.<sup>8</sup> The Exchange asserts that the proposed rule change does not (i) significantly affect the protection of investors or the public interest, (ii) impose any significant burden on competition, and (iii) become operative for 30 days after its filing date, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that the proposed rule change does not significantly affect the protection of investors or the public interest because the proposed rule changes would assist in the introduction of this Fund, and thereby prove beneficial to the Exchange and its traders, investors, and market participants in general through increased clarity around the trading of NextShares.

The Exchange does not believe that the proposed rule change will result in any significant burden on competition. In fact, the Exchange believes that the introduction of the Fund will promote competition by making available to investors an actively managed investment strategy in a structure that offers the cost and tax efficiencies and shareholder

<sup>8</sup> 17 CFR 240.19b-4(f)(6).

protections of ETFs, while removing the requirement for daily portfolio holdings disclosure to ensure a tight relationship between market trading prices and NAV.

Moreover, the Exchange believes that the proposed method of trading in NextShares will provide investors with transparency of trading costs, and the ability to control trading costs using limit orders, that is not available for conventionally traded ETFs. These developments could significantly enhance competition to the benefit of the markets and investors. The Exchange believes the rule change qualifies for immediate effectiveness as a “non-controversial” rule change under Rule 19b-4(f)(6) of the Act.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests the Commission to waive the noted operative delay and believes that good reason exists for such waiver and that it would be consistent with the protection of investors and in the public interest. The waiver is consistent with public interest and the protection of investors because the proposed changes to the Fund are consistent with the arguments made in the Exchange’s initial

filing to list and trade the Fund and consistent with the Commission's findings in approving the listing and trading of the NextShares.

The Exchange believes that that the proposed rule change to change the Fund's name and modify its proposed investments will help in the introduction of the Fund and will promote competition by making available to investors a broad range of actively managed investment strategies in a structure that offers the cost and tax efficiencies and shareholder protections of ETFs, while removing the requirement for daily portfolio holdings disclosure to ensure a tight relationship between market trading prices and NAV.

The Exchange, therefore, concludes that waiver of the operative delay so that it can change the Fund's name and modify its proposed investments is not only consistent with the protection of investors and the public interest, but will also benefit investors and the public interest.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

effect. The Trust confirms that the Fund will continue to comply with all initial listing requirements under Nasdaq Rule 5745.

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act, in general, and Section 6(b)(5) of the Act, in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and in general, to protect investors and the public interest. The Fund will continue to comply with all the initial and continued listing requirements under Nasdaq Rule 5735.

The Exchange believes that the proposed rule change to change the Fund's name and to modify its proposed investments does not alter any of the arguments contained in the Prior Release in support of the original approval order that permitted the listing and trading of shares of the Fund and all other representations made in the Prior Release remain unchanged. The Exchange believes this proposed rule change is consistent with the Exchange's efforts to protect investors and the public interest through the disclosure of updated and correct information regarding the Fund.

For the above reasons, Nasdaq believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. In fact, the Exchange believes that the introduction of the Fund will promote

competition by making available to investors an actively managed investment strategy in a structure that offers the cost and tax efficiencies and shareholder protections of ETFs, while removing the requirement for daily portfolio holdings disclosure to ensure a tight relationship between market trading prices and NAV.

These developments could significantly enhance competition to the benefit of the markets and investors.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)<sup>7</sup> of the Act and Rule 19b-4(f)(6) thereunder.<sup>8</sup> The Exchange believes that this proposed rule change is properly designated as non-controversial because it enhances clarity and operational transparency without modifying members'

rights or obligations.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
