1. Text of the Proposed Rule Change

(a) The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to adopt a shell structure for the Nasdaq rulebook (“Rulebook”) as part of its initiative to structure its Rulebook.

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1. The text of the proposed rule change is attached as Exhibit 5.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors (the “Board”) on September 19, 2017. Exchange staff will advise the Board of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

On March 9, 2016, Nasdaq, Inc. acquired the capital stock of U.S. Exchange Holdings, thereby indirectly acquiring all of the interests of the International Securities Exchange, LLC (now Nasdaq ISE, LLC), ISE Gemini, LLC (now Nasdaq GEMX, LLC) (“GEMX”) and ISE Mercury, LLC (now Nasdaq MRX, LLC) (“MRX”).³ The acquisition resulted in a total of six self-regulatory organization licenses for Nasdaq, Inc. which, in addition to the three aforementioned exchanges, also include Nasdaq, Nasdaq PHLX LLC (“Phlx”) and Nasdaq BX, Inc. (“BX”) (collectively, “Nasdaq Entities”).

The Exchange is planning to conform the chapters of the various Nasdaq Entity rulebooks for efficiency, and conformity of certain Nasdaq Entity processes. The Exchange believes that aligning the rules of the Nasdaq Entities will assist market participants in navigating the various rulebooks. Specifically, the Exchange proposes to add a shell structure which would reside alongside the current rulebook. The proposed shell would outline the various chapters of the future rulebook and contains new chapter numbering. A similar shell would be filed to add the same structure to each of the other Nasdaq Entities. The proposed chapters would be similar for each shell filed for each of the Nasdaq Entities. In subsequent rule changes, each of the Nasdaq Entities would file rule changes to move their current rules into the various chapters of the proposed shells

Will Become the Indirect Parent of ISE, ISE Gemini, and ISE Mercury).

for all six markets and delete the migrated rule from the current location in the Rulebook.⁴ The proposed shell would contain a general rule section and product specific sections, in this case equities and options, which would encompass all the rules of the Exchange.

The Exchange believes this new structure would align the Nasdaq Entities' rulebooks for ease of use by Members, who are members of more than one Nasdaq Entity. This proposal would not amend the current Rulebook and is therefore not a substantive change. A Member would continue to be able to view the current Rulebook alongside the proposed reorganized Rulebook. Subsequent rule changes will be filed to move the rule text into the shell Rulebook.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by starting the process of organizing its rules in a manner which is clear and consistent across the Nasdaq Entities. The Exchange believes that coordinating the chapters of the rulebooks among the Nasdaq Entities will provide Members, who are members of more than one Nasdaq Entity, with consistency and ease of reference in locating rules.

⁴ When relocating the current rule text into the new shell, the Exchange shall not amend the rule text but simply move existing rule text.

⁶ 15 U.S.C. 78f(b)(5).

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because the proposed amendments are non-substantive, are intended to start the process to organize the rules of the Exchange in a manner that will be more user-friendly to Nasdaq Entity members.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁷ of the Act and Rule 19b-4(f)(6) thereunder⁸ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The Exchange does not believe that the proposed shell would significantly affect the protection of investors or the public interest because these changes do not impact the current rules, rather it will facilitate a structure to bring uniformity and conformity to the

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6).

collective rulebooks of the various Nasdaq Entities. The Exchange does not believe that the proposed shell would significantly impose any significant burden on competition because the proposed amendments are non-substantive and are intended to start the process to organize the rules of the Exchange in a clear manner, and seek to harmonize the Nasdaq Entities' rulebooks.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) so that the Exchange can start the process to reorganize its Rulebooks on all six markets. The Exchange believes that this process will bring uniformity and conformity to the collective rulebooks of the various Nasdaq Entities. Also, similar rulebooks for all Nasdaq Entities will provide

Members, who are members of more than one Nasdaq Entity, with consistency and ease of reference in locating rules.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

Not applicable.

9. Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 17, 2017, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt a shell structure for the Nasdaq rulebook (“Rulebook”) as part of its initiative to structure its Rulebook.

The text of the proposed rule change is available on the Exchange’s Website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On March 9, 2016, Nasdaq, Inc. acquired the capital stock of U.S. Exchange Holdings, thereby indirectly acquiring all of the interests of the International Securities Exchange, LLC (now Nasdaq ISE, LLC), ISE Gemini, LLC (now Nasdaq GEMX, LLC) (“GEMX”) and ISE Mercury, LLC (now Nasdaq MRX, LLC) (“MRX”).³ The acquisition resulted in a total of six self-regulatory organization licenses for Nasdaq, Inc. which, in addition to the three aforementioned exchanges, also include Nasdaq, Nasdaq PHLX LLC (“Phlx”) and Nasdaq BX, Inc. (“BX”) (collectively, “Nasdaq Entities”).

The Exchange is planning to conform the chapters of the various Nasdaq Entity rulebooks for efficiency, and conformity of certain Nasdaq Entity processes. The Exchange believes that aligning the rules of the Nasdaq Entities will assist market participants in navigating the various rulebooks. Specifically, the Exchange proposes to

add a shell structure which would reside alongside the current rulebook. The proposed shell would outline the various chapters of the future rulebook and contains new chapter numbering. A similar shell would be filed to add the same structure to each of the other Nasdaq Entities. The proposed chapters would be similar for each shell filed for each of the Nasdaq Entities. In subsequent rule changes, each of the Nasdaq Entities would file rule changes to move their current rules into the various chapters of the proposed shells for all six markets and delete the migrated rule from the current location in the Rulebook.⁴ The proposed shell would contain a general rule section and product specific sections, in this case equities and options, which would encompass all the rules of the Exchange.

The Exchange believes this new structure would align the Nasdaq Entities' rulebooks for ease of use by Members, who are members of more than one Nasdaq Entity. This proposal would not amend the current Rulebook and is therefore not a substantive change. A Member would continue to be able to view the current Rulebook alongside the proposed reorganized Rulebook. Subsequent rule changes will be filed to move the rule text into the shell Rulebook.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove

impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by starting the process of organizing its rules in a manner which is clear and consistent across the Nasdaq Entities. The Exchange believes that coordinating the chapters of the rulebooks among the Nasdaq Entities will provide Members, who are members of more than one Nasdaq Entity, with consistency and ease of reference in locating rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because the proposed amendments are non-substantive, are intended to start the process to organize the rules of the Exchange in a manner that will be more user-friendly to Nasdaq Entity members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

⁷ 15 U.S.C. 78s(b)(3)(A)(iii).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
