3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to amend Rule 4370 (Additional Requirements for Nasdaq-Listed Securities Issued by Nasdaq or its Affiliates) regarding the requirements for the listing of securities that are issued by the Exchange or any of its affiliates.

Rule 4370 sets forth certain monitoring requirements that must be met throughout the continued listing of securities issued by Nasdaq or its affiliates. More specifically, Rule 4370 provides that, upon initial and throughout continued listing of the Affiliate Security³ on The Nasdaq Stock Market, Nasdaq shall:

- file a report quarterly (“Quarterly Report”) with the Commission detailing Nasdaq’s monitoring of (a) the Nasdaq Affiliate’s compliance with the listing requirements; and (b) the trading of the Affiliate Security; and
- engage an independent accounting firm once a year to review and prepare a report on the Affiliate Security to ensure that the Nasdaq Affiliate is in compliance with the listing requirements (“Annual Report”) and promptly forward to the Commission a copy of the report prepared by the independent accounting firm.

In discussions with the Commission Staff regarding the Exchange’s Rule 4370, it was determined that the Exchange no longer needs to provide to the Commission copies of the reports specified in paragraphs (b)(1) and (b)(2) thereunder; instead, the Exchange must provide these reports to the Exchange’s Regulatory Oversight Committee.

Accordingly, the Exchange proposes to amend Rule 4370 to remove the requirement that

³ Pursuant to Rule 4370(a)(2), “Affiliate Security” means any security issued by a Nasdaq Affiliate, with the exception of Portfolio Depository Receipts as defined in Rule 5705(a)(1)(A) and Index Fund Shares as defined in Rule 5705(b)(1)(A), and pursuant to Rule 4370(a)(1), “Nasdaq Affiliate” means The Nasdaq Stock Market, Inc. and any entity that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with The Nasdaq Stock Market, Inc., where “control” means that the one entity possesses, directly or indirectly, voting control of the other entity either through ownership of capital stock or other equity securities or through majority representation on the board of directors or other management body of such entity.

the Quarterly Report be filed with the Commission and that copies of the Annual Report be forwarded to the Commission, and to require instead that copies of each such report be provided to Nasdaq's Regulatory Oversight Committee. In addition, the Exchange proposes to modify the definition of "Affiliate Security" in Rule 4370(a)(2) to include any Exchange-listed option on any such security. Finally, the Exchange proposes to modify Rule 4370(b) to require that the Exchange also follow Rule 4370 upon initial and throughout continued trading, not just listing, of the "Affiliate Security" on the Exchange.

No other changes would be made to Rule 4370, which would continue to require that Nasdaq file a report with the Commission if it determines that the Nasdaq Affiliate is not in compliance with the listing requirements.

b. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act⁴ in general, and Section 6(b)(5)⁵ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change is designed to prevent fraudulent and manipulative acts and practices, to foster cooperation and coordination

with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest, because the proposed changes would reduce the paperwork received by the Commission and ease the burden of submitting the Quarterly and Annual Reports, while continuing to help protect against concerns that the Exchange will not effectively enforce its rules with respect to the listing and trading of Affiliate Securities. The proposed rule change would not change the information available to the Commission. The Exchange understands that these reports are subject to Section 17A of the Exchange Act⁶ and that it will be required to keep and preserve, and to furnish to the Commission upon request, copies of these reports in accordance with Rule 17a-1 thereunder.⁷

The Exchange believes that the proposed change adding Exchange-listed options to the definition of “Affiliate Security” in Rule 4370(a)(2) and requiring that the Exchange also follow Rule 4370 upon initial and throughout continued trading, not just listing, of the “Affiliate Security” on the Exchange, will expand the scope of Rule 4370, which would help eliminate any perception of a potential conflict of interest if a Nasdaq Affiliate seeks to list and/or trade an option on an Affiliate Security on the Exchange and thus promote just and equitable principles of trade, remove impediments to a free and open market and protect investors and the public interest by helping protect against

⁶ 15 U.S.C. 78q.

⁷ 17 CFR 240.17a-1.

concerns that the Exchange will not effectively enforce its rules with respect to the listing and trading of these securities.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not intended to address competitive issues but rather to reduce the paperwork received by the Commission, ease the burden of submitting the Quarterly and Annual Reports, and provide greater clarity in the Exchange's rules, without changing the information available to the Commission.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)⁸ of the Act and Rule 19b-4(f)(6) thereunder⁹ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public

⁸ 15 U.S.C. 78s(b)(3)(A)(iii).

⁹ 17 CFR 240.19b-4(f)(6).

interest.

The Exchange believes that the proposed rule change would not significantly affect the protection of investors or the public interest because the Quarterly and Annual Reports would continue to be available to the Commission in accordance with Section 17A of the Act¹⁰ and Rule 17a-1 thereunder,¹¹ and Rule 4370 would require that the Quarterly Report be prepared for the Exchange's Regulatory Oversight Committee and the Annual Report be provided promptly to the Exchange's Regulatory Oversight Committee. In addition, the Exchange does not believe that the proposed change adding Exchange-listed options to the definition of "Affiliate Security" in Rule 4370(a)(2) or requiring that the Exchange also follow Rule 4370 upon initial and throughout continued trading, not just listing, of the "Affiliate Security" on the Exchange, would significantly affect the protection of investors or the public interest because it would expand the scope of Rule 4370. The Exchange believes that the proposed rule change would not impose a burden on competition as it is not intended to address competitive issues but rather to reduce the paperwork received by the Commission and ease the burden of submitting the Quarterly and Annual Reports, without changing the information available to the Commission. Accordingly, the Exchange believes that this rule change is eligible for immediately effective treatment.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that

¹⁰ 15 U.S.C. 78q.

¹¹ 17 CFR 240.17a-1.

subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 4370 (Additional Requirements for Nasdaq-Listed Securities Issued by Nasdaq or its Affiliates) regarding the requirements for the listing of securities that are issued by the Exchange or any of its affiliates.

Rule 4370 sets forth certain monitoring requirements that must be met throughout the continued listing of securities issued by Nasdaq or its affiliates. More specifically, Rule 4370 provides that, upon initial and throughout continued listing of the Affiliate Security³ on The Nasdaq Stock Market, Nasdaq shall:

³ Pursuant to Rule 4370(a)(2), "Affiliate Security" means any security issued by a Nasdaq Affiliate, with the exception of Portfolio Depository Receipts as defined in Rule 5705(a)(1)(A) and Index Fund Shares as defined in Rule 5705(b)(1)(A), and pursuant to Rule 4370(a)(1), "Nasdaq Affiliate" means The Nasdaq Stock Market, Inc. and any entity that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with The Nasdaq Stock Market, Inc., where "control" means that the one entity possesses, directly or indirectly, voting control of the other entity either through ownership of capital stock or other equity securities or through majority representation on the board of directors or other management body of such entity.

- file a report quarterly (“Quarterly Report”) with the Commission detailing Nasdaq’s monitoring of (a) the Nasdaq Affiliate’s compliance with the listing requirements; and (b) the trading of the Affiliate Security; and
- engage an independent accounting firm once a year to review and prepare a report on the Affiliate Security to ensure that the Nasdaq Affiliate is in compliance with the listing requirements (“Annual Report”) and promptly forward to the Commission a copy of the report prepared by the independent accounting firm.

In discussions with the Commission Staff regarding the Exchange’s Rule 4370, it was determined that the Exchange no longer needs to provide to the Commission copies of the reports specified in paragraphs (b)(1) and (b)(2) thereunder; instead, the Exchange must provide these reports to the Exchange’s Regulatory Oversight Committee. Accordingly, the Exchange proposes to amend Rule 4370 to remove the requirement that the Quarterly Report be filed with the Commission and that copies of the Annual Report be forwarded to the Commission, and to require instead that copies of each such report be provided to Nasdaq’s Regulatory Oversight Committee. In addition, the Exchange proposes to modify the definition of “Affiliate Security” in Rule 4370(a)(2) to include any Exchange-listed option on any such security. Finally, the Exchange proposes to modify Rule 4370(b) to require that the Exchange also follow Rule 4370 upon initial and throughout continued trading, not just listing, of the “Affiliate Security” on the Exchange.

No other changes would be made to Rule 4370, which would continue to require that Nasdaq file a report with the Commission if it determines that the Nasdaq Affiliate is not in compliance with the listing requirements.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act⁴ in general, and Section 6(b)(5)⁵ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change is designed to prevent fraudulent and manipulative acts and practices, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest, because the proposed changes would reduce the paperwork received by the Commission and ease the burden of submitting the Quarterly and Annual Reports, while continuing to help protect against concerns that the Exchange will not effectively enforce its rules with respect to the listing and trading of Affiliate Securities. The proposed rule change would not change the information available to the Commission. The Exchange understands that these reports are subject to Section 17A of

⁴ 15 U.S.C. 78f(b).

⁵ 15 U.S.C. 78f(b)(5).

the Exchange Act⁶ and that it will be required to keep and preserve, and to furnish to the Commission upon request, copies of these reports in accordance with Rule 17a-1 thereunder.⁷

The Exchange believes that the proposed change adding Exchange-listed options to the definition of “Affiliate Security” in Rule 4370(a)(2) and requiring that the Exchange also follow Rule 4370 upon initial and throughout continued trading, not just listing, of the “Affiliate Security” on the Exchange, will expand the scope of Rule 4370, which would help eliminate any perception of a potential conflict of interest if a Nasdaq Affiliate seeks to list and/or trade an option on an Affiliate Security on the Exchange and thus promote just and equitable principles of trade, remove impediments to a free and open market and protect investors and the public interest by helping protect against concerns that the Exchange will not effectively enforce its rules with respect to the listing and trading of these securities.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather to reduce the paperwork received by the Commission, ease the burden of submitting the Quarterly and Annual Reports, and provide greater clarity in the Exchange’s rules, without changing the information available to the Commission.

⁶ 15 U.S.C. 78q.

⁷ 17 CFR 240.17a-1.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

⁸ 15 U.S.C. 78s(b)(3)(A)(iii).

⁹ 17 CFR 240.19b-4(f)(6). The Exchange has satisfied this requirement.
