3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to relocate the Exchange's options exercise and delivery rules, currently in Chapter VIII of the Rulebook, to Options 5, Section 100 in the Exchange's rulebook's ("Rulebook") shell structure. The relocation of the options exercise and delivery rules is part of the Exchange's continued effort to promote efficiency and the structural conformity of its processes with those of its Affiliated Exchanges.⁵ The Exchange believes that the migration of the options exercise and delivery rules to their new location will facilitate the use of the Rulebook by members of the Exchange who are members of other Affiliated Exchanges. Moreover, the proposed changes are of a non-substantive nature and will not amend the relocated rules other than to update their numbers, redesignate the current "Supplementary Material" as "Commentary", and make conforming cross-reference changes.

⁵ See footnote 3.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by promoting efficiency and the structural conformity of the Exchange's processes with those of the Affiliated Exchanges and by making the Exchange's Rulebook easier to read and more accessible to its members. The Exchange believes that the relocation of the options exercise and delivery rules and the cross-reference updates are of a non-substantive nature.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because, as previously stated, they (i) are of a non-substantive nature, (ii) are intended to harmonize the numbering of the Exchange's rules with those of its Affiliated Exchanges, and (iii) are intended to organize the Rulebook in a way that it will ease the members' navigation and reading of the rules across the Affiliated Exchanges.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(5).

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)⁸ of the Act and Rule 19b-4(f)(6) thereunder⁹ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange does not believe that the relocation of the options exercise and delivery rules will significantly affect the protection of investors or the public interest because the proposed changes are only intended to relocate the rules and update their cross-references. Moreover, the Exchange does not believe that this proposal will impose any significant burden on competition because, as explained, the changes are non-substantive, are intended to align the Exchange's Rulebook to the Affiliated Exchanges' and generally seek to improve the organization and readability of the Exchange's rules.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

⁸ 15 U.S.C. 78s(b)(3)(A)(iii).

⁹ 17 CFR 240.19b-4(f)(6).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) so that the Exchange can reorganize its Rulebook as already done in previous filings. The proposed rule change does not raise any regulatory issues. Waiving the operative delay would enable the Exchange, in a timelier manner, to harmonize the Rulebook placement and the numbering convention of the Exchange's rules with those of its Affiliated Exchanges with the ultimate goal of providing less burdensome and more efficient regulatory compliance for its members.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

Not applicable.

9. Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act

Not applicable.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 14, 2018, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to a proposal to relocate the Exchange’s options exercise and delivery rules, currently in Chapter VIII of the Exchange’s rulebook (“Rulebook”), to Options 5, Section 100 in the Rulebook’s shell structure.³

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ In 2017 the Exchange added a shell structure to its Rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges, Nasdaq BX, Inc.; Nasdaq PHLX LLC; Nasdaq ISE, LLC; Nasdaq GEMX, LLC; and Nasdaq MRX, LLC (“Affiliated Exchanges”). See Securities Exchange Act Release No. 82175 (November 29, 2017), 82 FR 57494 (December 5, 2017) (SR-NASDAQ-2017-125).

The text of the proposed rule change is available on the Exchange's Website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to relocate the Exchange's options exercise and delivery rules, currently in Chapter VIII of the Rulebook, to Options 5, Section 100 in the Exchange's rulebook's ("Rulebook") shell structure. The relocation of the options exercise and delivery rules is part of the Exchange's continued effort to promote efficiency and the structural conformity of its processes with those of its Affiliated Exchanges.⁴ The Exchange believes that the migration of the options exercise and delivery rules to their new location will facilitate the use of the Rulebook by members of the Exchange who are members of other Affiliated Exchanges. Moreover, the proposed changes are of a non-substantive nature and will not amend the relocated rules other than

⁴ See footnote 3.

to update their numbers, redesignate the current “Supplementary Material” as “Commentary”, and make conforming cross-reference changes.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by promoting efficiency and the structural conformity of the Exchange’s processes with those of the Affiliated Exchanges and by making the Exchange’s Rulebook easier to read and more accessible to its members. The Exchange believes that the relocation of the options exercise and delivery rules and the cross-reference updates are of a non-substantive nature.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because, as previously stated, they (i) are of a non-substantive nature, (ii) are intended to harmonize the numbering of the Exchange’s rules with those of its Affiliated Exchanges, and (iii) are intended to organize the Rulebook in a way that it will ease the members’ navigation and reading of the rules across the Affiliated Exchanges.

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

⁷ 15 U.S.C. 78s(b)(3)(A)(iii).

⁸ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

The Nasdaq Stock Market Rules

* * * * *

Options Rules**Chapter I General Provisions****Sec. 1 Definitions**

(a) With respect to these NOM Rules, the following terms shall have the meanings specified in this Section 1. A term defined elsewhere in the Rules of the Exchange shall have the same meaning with respect to this Chapter I, unless otherwise defined below.

(1) No change.

(2) The term "American-style option" means an options contract that, subject to the provisions of [Chapter VIII, Section 1] Options 5, Section 101 of these NOM Rules (relating to the cutoff time for exercise instructions) and to the Rules of the Clearing Corporation, may be exercised at any time from its commencement time until its expiration.

(3) – (15) No change.

(16) The term "European-style option" means an options contract that, subject to the provisions of [Chapter VIII, Section 1] Options 5, Section 101 of these Rules (relating to the cutoff time for exercise instructions) and to the Rules of the Clearing Corporation, can be exercised only on the business day of expiration, or, in the case of option contracts expiring on a day that is not a business day, the last business day prior to its expiration date.

* * * * *

[Chapter VIII Exercises and Deliveries**Sec. 1 Exercise of Options Contracts**

(a) Subject to the restrictions set forth in Chapter III, Section 9 of these Rules (Exercise Limits) and to such restrictions as may be imposed pursuant to Chapter III, Section 12 of these Rules (Other Restrictions on Options Transactions and Exercises) or pursuant to the Rules of the Clearing Corporation, an outstanding options contract may be exercised during the time period specified in the Rules of the Clearing Corporation by the tender to the Clearing Corporation of an exercise notice in accordance with the Rules of the Clearing Corporation. An exercise notice may be tendered to the Clearing Corporation

only by the Clearing Participant in the account of which such options contract is carried with the Clearing Corporation. Participants may establish fixed procedures as to the latest time they will accept exercise instructions from customers.

(b) Special procedures apply to the exercise of equity options on the business day of their expiration, or in the case of option contracts expiring on a day that is not a business day, on the last business day before their expiration ("expiring options"). Unless waived by The Options Clearing Corporation (also known in this Rule as the Clearing Corporation), expiring options are subject to the Exercise-by-Exception ("Ex-by-Ex") procedure under Clearing Corporation Rule 805. This Rule provides that, unless contrary instructions are given, option contracts that are in-the-money by specified amounts shall be automatically exercised. In addition to the Rules of the Clearing Corporation, the following Exchange requirements apply with respect to expiring options. Option holders desiring to exercise or not exercise expiring options must either:

- i. take no action and allow exercise determinations to be made in accordance with the Clearing Corporation's Ex-by-Ex procedure where applicable; or
- ii. submit a "Contrary Exercise Advice" to the Exchange as specified in paragraph (d) below.

(c) Exercise cut-off time. Option holders have until 5:30 p.m. Eastern Time on the business day of their expiration, or, in the case of an option contract expiring on a day that is not a business day, on the business day immediately prior to the expiration date, to make a final decision to exercise or not exercise an expiring option. Participants may not accept exercise instructions for customer or non-customer accounts after 5:30 p.m. Eastern Time.

(d) Submission of Contrary Exercise Advices. A Contrary Exercise Advice is a communication either: (i) to not exercise an option that would be automatically exercised under the Clearing Corporation's Ex-by-Ex procedure, or (ii) to exercise an option that would not be automatically exercised under the Clearing Corporation's Ex-by-Ex procedure.

A Contrary Exercise Advice may be submitted by a Participant by using the Clearing Corporation's ENCORE system, a Contrary Exercise Advice form of any other national securities exchange of which the firm is a Participant and where the option is listed, or such other method as the Exchange may prescribe. A Contrary Exercise Advice may be canceled by filing an Advice Cancel at any time up to the submission cut-off times specified below.

For customer accounts, Participants have until 7:30 p.m. Eastern Time to submit a Contrary Exercise Advice to the Exchange.

For noncustomer accounts, Participants have until 7:30 p.m. Eastern Time to submit a Contrary Exercise Advice to the Exchange if such Participant employs an electronic

submission procedure with time stamp for the submission of exercise instructions by option holders. Participants are required to manually submit a Contrary Exercise Advice by 5:30 p.m. for non-customer accounts if such Participants do not employ an electronic submission procedure with time stamp for the submission of exercise instructions by option holders.

(e) If the Clearing Corporation has waived the Ex-by-Ex procedure for an options class, Participants must either:

- i. submit to the Exchange, a Contrary Exercise Advice, in a manner specified by the Exchange, within the time limits specified in paragraph (d) above if the holder intends to exercise the option; or
- ii. take no action and allow the option to expire without being exercised. In cases where the Ex-by-Ex procedure has been waived, the Rules of the Clearing Corporation require that Participants wishing to exercise such options must submit an affirmative Exercise Notice to the Clearing Corporation, whether or not a Contrary Exercise Advice has been filed with the Exchange.

(f) A Participant that has accepted the responsibility to indicate final exercise decisions on behalf of another Participant or non-Participant broker-dealer shall take the necessary steps to ensure that such decisions are properly indicated to the Exchange. Such Participant may establish a processing cut-off time prior to the Exchange's exercise cut-off time at which it will no longer accept final exercise decisions in expiring options from option holders for whom it indicates final exercise decisions. Each Participant that indicates final exercise decisions through another broker-dealer is responsible for ensuring that final exercise decisions for all of its proprietary (including market maker) and public customer account positions are indicated in a timely manner to such broker-dealer.

(g) Notwithstanding the foregoing, Participants may make final exercise decisions after the exercise cut-off time but prior to expiration without having submitted a Contrary Exercise Advice in the circumstances listed below. A memorandum setting forth the circumstance giving rise to instructions after the exercise cutoff time shall be maintained by the Participant and a copy thereof shall be filed with the Exchange no later than 12:00 noon Eastern Time on the first business day following the respective expiration. An exercise decision after the exercise cut-off time may be made:

- i. in order to remedy mistakes or errors made in good faith; or
- ii. where exceptional circumstances have restricted an option holder's ability to inform a Participant of a decision regarding exercise, or a Participant's ability to receive an option holder's decision by the cut-off time. The burden of establishing any of the above exceptions rests solely on the Participant seeking to rely on such exceptions.

(h) In the event the Exchange provides advance notice on or before 5:30 p.m. Eastern Time on the business day immediately prior to the business day of their expiration, or, in the case of an option contract expiring on a day that is not a business day, the second business day immediately prior to the expiration date indicating that a modified time for the close of trading in equity options on such business day of expiration, or, in the case of an option contract expiring on a day that is not a business day, such last business day before expiration will occur, then the deadline to make a final decision to exercise or not exercise an expiring option shall be 1 hour 30 minutes following the time announced for the close of trading on that day instead of the 5:30 p.m. Eastern Time deadline found in Paragraph (c) of this Section 1. However, Participants have until 7:30 Eastern Time to deliver a Contrary Exercise Advice or Advice Cancel to the Exchange for customer accounts and non-customer accounts where such Participant employs an electronic submission procedure with time stamp for the submission of exercise instructions. For non-customer accounts, Participants that do not employ an electronic procedure with time stamp for the submission of exercise instructions are required to deliver a Contrary Exercise Advice or Advice Cancel within 1 hour and 30 minutes following the time announced for the close of trading on that day instead of the 5:30 p.m. Eastern Time deadline found in Paragraph(d) of this Section 1.

(i) Modification of cut-off time.

i. The Exchange may establish extended cut-off times for decision to exercise or not exercise an expiring option and for the submission of Contrary Exercise Advices on a case-by-case basis due to unusual circumstances. For purposes of this subparagraph (h)(i), an "unusual circumstance" includes, but is not limited to, increased market volatility; significant order imbalances; significant volume surges and/or systems capacity constraints; significant spreads between the bid and offer in underlying securities; internal system malfunctions affecting the ability to disseminate or update market bids and offers and/or execute or route orders; or other similar occurrences.

ii. The Exchange with at least one (1) business day prior advance notice, by 12:00 noon on such day, may establish a reduced cut-off time for the decision to exercise or not exercise an expiring option and for the submission of Contrary Exercise Advices on a case-by-case basis due to unusual circumstances; provided, however, that under no circumstances should the exercise cut-off time and the time for submission of a Contrary Exercise Advice be before the close of trading. For purposes of this subparagraph (h) (ii), an "unusual circumstance" includes, but is not limited to, a significant news announcement concerning the underlying security of an option contract that is scheduled to be released just after the close on the business day the option contract expires, or, in the case of an option contract expiring on a day that is not a business day, the business day immediately prior to expiration.

(j) Submitting or preparing an exercise instruction, contrary exercise advice or advice cancel after the applicable exercise cut-off time in any expiring options on the basis of material information released after the cut-off time is activity inconsistent with just and equitable principles of trade.

(k) The failure of any Participant to follow the procedures in this Section 1 may result in the assessment of a fine, which may include but is not limited to disgorgement of potential economic gain obtained or loss avoided by the subject exercise, as determined by the Exchange.

(l) Clearing Participants must follow the procedures of the Clearing Corporation when exercising American-style cash-settled index options contracts issued or to be issued in any account at the Clearing Corporation. Options Participants must also follow the procedures set forth below with respect to American-style cash-settled index options:

i. For all contracts exercised by the Options Participant or by any customer of the Options Participant, an "exercise advice" must be delivered by the Options Participant in such form or manner prescribed by the Exchange no later than 4:20 p.m. Eastern Time, or if trading hours are extended or modified in the applicable options class, no later than five (5) minutes after the close of trading on that day.

ii. Subsequent to the delivery of an "exercise advice," should the Options Participant or a customer of the Options Participant determine not to exercise all or part of the advised contracts, the Options Participant must also deliver an "advice cancel" in such form or manner prescribed by the Exchange no later than 4:20 p.m. Eastern Time, or if trading hours are extended or modified in the applicable options class, no later than five (5) minutes after the close of trading on that day.

iii. The Exchange may determine to extend the applicable deadline for the delivery of "exercise advice" and "advice cancel" notifications pursuant to this paragraph (l) if unusual circumstances are present.

iv. No Options Participant may prepare, time stamp or submit an "exercise advice" prior to the purchase of the contracts to be exercised if the Options Participant knew or had reason to know that the contracts had not yet been purchased.

v. The failure of any Options Participant to follow the procedures in this paragraph (l) may result in the assessment of a fine, which may include but is not limited to disgorgement of potential economic gain obtained or loss avoided by the subject exercise, as determined by the Exchange.

vi. Preparing or submitting an "exercise advice" or "advice cancel" after the applicable deadline on the basis of material information released after such deadline, in addition to constituting a violation of this Rule, is activity inconsistent with just and equitable principles of trade.

vii. The procedures set forth in subparagraphs (i)-(ii) of this subparagraph (l) do not apply (a) on the business day prior to expiration in series expiring on a day other than a business day or (b) on the expiration day in series expiring on a business day.

viii. Exercises of American-style, cash-settled index options (and the submission of corresponding "exercise advice" and "advice cancel" forms) shall be prohibited during any time when trading in such options is delayed, halted, or suspended, subject to the following exceptions:

1) The exercise of an American-style, cash-settled index option may be processed and given effect in accordance with and subject to the rules of the Clearing Corporation while trading in the option is delayed, halted, or suspended if it can be documented, in a form prescribed by the Exchange, that the decision to exercise the option was made during allowable time frames prior to the delay, halt, or suspension.

2) Exercises of expiring American-style, cash-settled index options shall not be prohibited on the business day of expiration, or in the case of index option contracts expiring on a day that is not a business day, the last business day prior to their expiration.

3) Exercises of American-style, cash-settled index options shall not be prohibited during a trading halt that occurs at or after 4:00 p.m. Eastern Time. In the event of such a trading halt, exercises may occur through 4:20 p.m. Eastern Time. In addition, if trading resumes following such a trading halt (pursuant to the procedure described in Section 8 of Chapter V of these Rules (Opening the Market)), exercises may occur during the resumption of trading and for five (5) minutes after the close of the resumption of trading. The provisions of this subparagraph 3) are subject to the authority of the Exchange to impose restrictions on transactions and exercises pursuant to Section 14 of Chapter III of these Rules (Limit on Outstanding Uncovered Short Positions).

4) The Exchange may determine to permit the exercise of American-style, cash-settled index options while trading in such options is delayed, halted, or suspended.

Section 100 Exercises and Deliveries

Section 101 Exercise of Options Contracts

(a) Subject to the restrictions set forth in Chapter III, Section 9 of these Rules (Exercise Limits) and to such restrictions as may be imposed pursuant to Chapter III, Section 12 of these Rules (Other Restrictions on Options Transactions and Exercises) or pursuant to the Rules of the Clearing Corporation, an outstanding options contract may be exercised during the time period specified in the Rules of the Clearing Corporation by the tender to the Clearing Corporation of an exercise notice in accordance with the Rules of the Clearing Corporation. An exercise notice may be tendered to the Clearing Corporation only by the Clearing Participant in the account of which such options contract is carried with the Clearing Corporation. Participants may establish fixed procedures as to the latest time they will accept exercise instructions from customers.

(b) Special procedures apply to the exercise of equity options on the business day of their expiration, or in the case of option contracts expiring on a day that is not a business day, on the last business day before their expiration ("expiring options"). Unless waived by The Options Clearing Corporation (also known in this Rule as the Clearing Corporation), expiring options are subject to the Exercise-by-Exception ("Ex-by-Ex") procedure under Clearing Corporation Rule 805. This Rule provides that, unless contrary instructions are given, option contracts that are in-the-money by specified amounts shall be automatically exercised. In addition to the Rules of the Clearing Corporation, the following Exchange requirements apply with respect to expiring options. Option holders desiring to exercise or not exercise expiring options must either:

(1) take no action and allow exercise determinations to be made in accordance with the Clearing Corporation's Ex-by-Ex procedure where applicable; or

(2) submit a "Contrary Exercise Advice" to the Exchange as specified in paragraph (d) below.

(c) Exercise cut-off time. Option holders have until 5:30 p.m. Eastern Time on the business day of their expiration, or, in the case of an option contract expiring on a day that is not a business day, on the business day immediately prior to the expiration date, to make a final decision to exercise or not exercise an expiring option. Participants may not accept exercise instructions for customer or non-customer accounts after 5:30 p.m. Eastern Time.

(d) Submission of Contrary Exercise Advices. A Contrary Exercise Advice is a communication either: (i) to not exercise an option that would be automatically exercised under the Clearing Corporation's Ex-by-Ex procedure, or (ii) to exercise an option that would not be automatically exercised under the Clearing Corporation's Ex-by-Ex procedure.

A Contrary Exercise Advice may be submitted by a Participant by using the Clearing Corporation's ENCORE system, a Contrary Exercise Advice form of any other national securities exchange of which the firm is a Participant and where the option is listed, or such other method as the Exchange may prescribe. A Contrary Exercise Advice may be canceled by filing an Advice Cancel at any time up to the submission cut-off times specified below.

For customer accounts, Participants have until 7:30 p.m. Eastern Time to submit a Contrary Exercise Advice to the Exchange.

For noncustomer accounts, Participants have until 7:30 p.m. Eastern Time to submit a Contrary Exercise Advice to the Exchange if such Participant employs an electronic submission procedure with time stamp for the submission of exercise instructions by option holders. Participants are required to manually submit a Contrary Exercise Advice by 5:30 p.m. for non-customer accounts if such Participants do not employ an electronic submission procedure with time stamp for the submission of exercise instructions by option holders.

(e) If the Clearing Corporation has waived the Ex-by-Ex procedure for an options class, Participants must either:

(1) submit to the Exchange, a Contrary Exercise Advice, in a manner specified by the Exchange, within the time limits specified in paragraph (d) above if the holder intends to exercise the option; or

(2) take no action and allow the option to expire without being exercised. In cases where the Ex-by-Ex procedure has been waived, the Rules of the Clearing Corporation require that Participants wishing to exercise such options must submit an affirmative Exercise Notice to the Clearing Corporation, whether or not a Contrary Exercise Advice has been filed with the Exchange.

(f) A Participant that has accepted the responsibility to indicate final exercise decisions on behalf of another Participant or non-Participant broker-dealer shall take the necessary steps to ensure that such decisions are properly indicated to the Exchange. Such Participant may establish a processing cut-off time prior to the Exchange's exercise cut-off time at which it will no longer accept final exercise decisions in expiring options from option holders for whom it indicates final exercise decisions. Each Participant that indicates final exercise decisions through another broker-dealer is responsible for ensuring that final exercise decisions for all of its proprietary (including market maker) and public customer account positions are indicated in a timely manner to such broker-dealer.

(g) Notwithstanding the foregoing, Participants may make final exercise decisions after the exercise cut-off time but prior to expiration without having submitted a Contrary Exercise Advice in the circumstances listed below. A memorandum setting forth the circumstance giving rise to instructions after the exercise cutoff time shall be maintained

by the Participant and a copy thereof shall be filed with the Exchange no later than 12:00 noon Eastern Time on the first business day following the respective expiration. An exercise decision after the exercise cut-off time may be made:

(1) in order to remedy mistakes or errors made in good faith; or

(2) where exceptional circumstances have restricted an option holder's ability to inform a Participant of a decision regarding exercise, or a Participant's ability to receive an option holder's decision by the cut-off time. The burden of establishing any of the above exceptions rests solely on the Participant seeking to rely on such exceptions.

(h) In the event the Exchange provides advance notice on or before 5:30 p.m. Eastern Time on the business day immediately prior to the business day of their expiration, or, in the case of an option contract expiring on a day that is not a business day, the second business day immediately prior to the expiration date indicating that a modified time for the close of trading in equity options on such business day of expiration, or, in the case of an option contract expiring on a day that is not a business day, such last business day before expiration will occur, then the deadline to make a final decision to exercise or not exercise an expiring option shall be 1 hour 30 minutes following the time announced for the close of trading on that day instead of the 5:30 p.m. Eastern Time deadline found in Paragraph (c) of this Section 101. However, Participants have until 7:30 Eastern Time to deliver a Contrary Exercise Advice or Advice Cancel to the Exchange for customer accounts and non-customer accounts where such Participant employs an electronic submission procedure with time stamp for the submission of exercise instructions. For non-customer accounts, Participants that do not employ an electronic procedure with time stamp for the submission of exercise instructions are required to deliver a Contrary Exercise Advice or Advice Cancel within 1 hour and 30 minutes following the time announced for the close of trading on that day instead of the 5:30 p.m. Eastern Time deadline found in Paragraph(d) of this Section 101.

(i) Modification of cut-off time.

(1) The Exchange may establish extended cut-off times for decision to exercise or not exercise an expiring option and for the submission of Contrary Exercise Advices on a case-by-case basis due to unusual circumstances. For purposes of this subparagraph (i)(1), an "unusual circumstance" includes, but is not limited to, increased market volatility; significant order imbalances; significant volume surges and/or systems capacity constraints; significant spreads between the bid and offer in underlying securities; internal system malfunctions affecting the ability to disseminate or update market bids and offers and/or execute or route orders; or other similar occurrences.

(2) The Exchange with at least one (1) business day prior advance notice, by 12:00 noon on such day, may establish a reduced cut-off time for the decision to exercise or not exercise an expiring option and for the submission of Contrary Exercise Advices on a case-by-case basis due to unusual circumstances; provided, however, that under no circumstances should the exercise cut-off time and the time for submission of a Contrary

Exercise Advice be before the close of trading. For purposes of this subparagraph (i) (2), an "unusual circumstance" includes, but is not limited to, a significant news announcement concerning the underlying security of an option contract that is scheduled to be released just after the close on the business day the option contract expires, or, in the case of an option contract expiring on a day that is not a business day, the business day immediately prior to expiration.

(j) Submitting or preparing an exercise instruction, contrary exercise advice or advice cancel after the applicable exercise cut-off time in any expiring options on the basis of material information released after the cut-off time is activity inconsistent with just and equitable principles of trade.

(k) The failure of any Participant to follow the procedures in this Section 1 may result in the assessment of a fine, which may include but is not limited to disgorgement of potential economic gain obtained or loss avoided by the subject exercise, as determined by the Exchange.

(l) Clearing Participants must follow the procedures of the Clearing Corporation when exercising American-style cash-settled index options contracts issued or to be issued in any account at the Clearing Corporation. Options Participants must also follow the procedures set forth below with respect to American-style cash-settled index options:

(1) For all contracts exercised by the Options Participant or by any customer of the Options Participant, an "exercise advice" must be delivered by the Options Participant in such form or manner prescribed by the Exchange no later than 4:20 p.m. Eastern Time, or if trading hours are extended or modified in the applicable options class, no later than five (5) minutes after the close of trading on that day.

(2) Subsequent to the delivery of an "exercise advice," should the Options Participant or a customer of the Options Participant determine not to exercise all or part of the advised contracts, the Options Participant must also deliver an "advice cancel" in such form or manner prescribed by the Exchange no later than 4:20 p.m. Eastern Time, or if trading hours are extended or modified in the applicable options class, no later than five (5) minutes after the close of trading on that day.

(3) The Exchange may determine to extend the applicable deadline for the delivery of "exercise advice" and "advice cancel" notifications pursuant to this paragraph (l) if unusual circumstances are present.

(4) No Options Participant may prepare, time stamp or submit an "exercise advice" prior to the purchase of the contracts to be exercised if the Options Participant knew or had reason to know that the contracts had not yet been purchased.

(5) The failure of any Options Participant to follow the procedures in this paragraph (l) may result in the assessment of a fine, which may include but is not limited to

disgorgement of potential economic gain obtained or loss avoided by the subject exercise, as determined by the Exchange.

(6) Preparing or submitting an "exercise advice" or "advice cancel" after the applicable deadline on the basis of material information released after such deadline, in addition to constituting a violation of this Rule, is activity inconsistent with just and equitable principles of trade.

(7) The procedures set forth in subparagraphs (1)-(2) of this subparagraph (1) do not apply (A) on the business day prior to expiration in series expiring on a day other than a business day or (B) on the expiration day in series expiring on a business day.

(8) Exercises of American-style, cash-settled index options (and the submission of corresponding "exercise advice" and "advice cancel" forms) shall be prohibited during any time when trading in such options is delayed, halted, or suspended, subject to the following exceptions:

(A) The exercise of an American-style, cash-settled index option may be processed and given effect in accordance with and subject to the rules of the Clearing Corporation while trading in the option is delayed, halted, or suspended if it can be documented, in a form prescribed by the Exchange, that the decision to exercise the option was made during allowable time frames prior to the delay, halt, or suspension.

(B) Exercises of expiring American-style, cash-settled index options shall not be prohibited on the business day of expiration, or in the case of index option contracts expiring on a day that is not a business day, the last business day prior to their expiration.

(C) Exercises of American-style, cash-settled index options shall not be prohibited during a trading halt that occurs at or after 4:00 p.m. Eastern Time. In the event of such a trading halt, exercises may occur through 4:20 p.m. Eastern Time. In addition, if trading resumes following such a trading halt (pursuant to the procedure described in Section 8 of Chapter V of these Rules (Opening the Market)), exercises may occur during the resumption of trading and for five (5) minutes after the close of the resumption of trading. The provisions of this subparagraph 3) are subject to the authority of the Exchange to impose restrictions on transactions and exercises pursuant to Section 14 of Chapter III of these Rules (Limit on Outstanding Uncovered Short Positions).

(D) The Exchange may determine to permit the exercise of American-style, cash-settled index options while trading in such options is delayed, halted, or suspended.
