1. Text of the Proposed Rule Change

(a) The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to extend the implementation date for changing the primary and secondary source of quotation data of MEMX LLC (“MEMX”) in the list of proprietary and network processor feeds that the Exchange utilizes for the handling, routing, and execution of orders as well as regulatory compliance processes related to those functions.

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1. There is no rule text for this proposed rule change.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors (the “Board”) on November 5, 2020. Exchange staff will advise the Board of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

Nasdaq is filing this proposal to extend the implementation date for changing the primary and secondary source of quotation data of MEMX in the list of proprietary and network processor feeds that the Exchange utilizes for the handling, routing, and execution of orders as well as regulatory compliance processes related to those functions.

Nasdaq proposed to amend Equity 4, Rule 4759 (Data Feeds Utilized) to change the primary and secondary source of quotation data of certain market centers in the list of proprietary and network processor feeds that the Exchange utilizes for the handling, routing, and execution of orders as well as regulatory compliance processes related to those functions.<sup>3</sup> These changes were filed by Nasdaq on February 3, 2021 and published in the Federal Register on February 22, 2021.<sup>4</sup>

Nasdaq initially proposed to implement the proposed rule change no later than ninety (90) days following the effective date of the proposed rule change. Due to the need for additional system configuration testing in advance of the date of launch, Nasdaq has decided to delay implementation for MEMX until the Q3 2021. The Exchange will announce the new implementation date in an Equity Trader Alert at least ten days in advance of implementing the changes.

---

<sup>3</sup> The proposed changes were to change the primary and secondary source of quotation data for MEMX and MIAx PEARL, LLC ("MIAx PEARL"). The changes for MIAx PEARL have been completed. Therefore, this proposal is only to extend the time period for implementing MEMX.

<sup>4</sup> See Securities Exchange Act Release No. 91138 (February 16, 2021), 86 FR 10608 (February 22, 2021) (NASDAQ-2021-008) ("Proposal").

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The purpose of this proposal is to inform the SEC and market participants of the new implementation date for changing the primary and secondary source of quotation data for MEMX. These enhancements were proposed in a rule filing that was submitted to the SEC, and this proposal does not make any substantive changes to that filing. Nasdaq is delaying the implementation date to allow for additional system configuration testing prior to implementation.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As explained above, the purpose of this proposal is to inform the SEC and market participants of the new implementation date for changing the primary and secondary source of quotation data for MEMX, and the Exchange does not expect the date change to place any burden on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

<sup>6</sup> 15 U.S.C. 78f(b)(5).

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)<sup>7</sup> of the Act and Rule 19b-4(f)(6) thereunder<sup>8</sup> in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

Nasdaq does not believe that this proposal significantly affects the protection of investors or the public interest, or imposes any significant burden on competition. As explained above, the purpose of this proposal is to inform the SEC and market participants of the new implementation date for changing the primary and secondary source of quotation data for MEMX. This change had previously been proposed in a rule filing that was submitted to the SEC, and this proposal does not change the substance of that filing. However, Nasdaq is delaying the implementation date to allow for additional system configuration testing prior to implementation.

Furthermore, Rule 19b-4(f)(6)(iii)<sup>9</sup> requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that

subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) so that the Exchange can engage in additional system configuration testing prior to implementation. As noted previously, this change was previously proposed in a rule filing that was submitted to the SEC, and this proposal does not change the substance of that filing.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

The proposed changes to the primary and secondary source of quotation data for MEMX were published in the Federal Register on February 22, 2021.<sup>10</sup>

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the implementation date for changing the primary and secondary source of quotation data of MEMX LLC (“MEMX”) in the list of proprietary and network processor feeds that the Exchange utilizes for the handling, routing, and execution of orders as well as regulatory compliance processes related to those functions.

<sup>2</sup> 17 CFR 240.19b-4.

The text of the proposed rule change is available on the Exchange's Website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is filing this proposal to extend the implementation date for changing the primary and secondary source of quotation data of MEMX in the list of proprietary and network processor feeds that the Exchange utilizes for the handling, routing, and execution of orders as well as regulatory compliance processes related to those functions.

Nasdaq proposed to amend Equity 4, Rule 4759 (Data Feeds Utilized) to change the primary and secondary source of quotation data of certain market centers in the list of proprietary and network processor feeds that the Exchange utilizes for the handling, routing, and execution of orders as well as regulatory compliance processes related to those functions.<sup>3</sup> These changes were filed by Nasdaq on February 3, 2021 and published in the Federal Register on February 22, 2021.<sup>4</sup>

---

<sup>3</sup> The proposed changes were to change the primary and secondary source of quotation data for MEMX and MIAX PEARL, LLC ("MIAX PEARL"). The

Nasdaq initially proposed to implement the proposed rule change no later than ninety (90) days following the effective date of the proposed rule change. Due to the need for additional system configuration testing in advance of the date of launch, Nasdaq has decided to delay implementation for MEMX until the Q3 2021. The Exchange will announce the new implementation date in an Equity Trader Alert at least ten days in advance of implementing the changes.

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The purpose of this proposal is to inform the SEC and market participants of the new implementation date for changing the primary and secondary source of quotation data for MEMX. These enhancements were proposed in a rule filing that was submitted to the SEC, and this proposal does not make any substantive changes to that filing. Nasdaq is delaying the implementation date to allow for additional system configuration testing prior to implementation.

changes for MIAX PEARL have been completed. Therefore, this proposal is only to extend the time period for implementing MEMX.

<sup>4</sup> See Securities Exchange Act Release No. 91138 (February 16, 2021), 86 FR 10608 (February 22, 2021) (NASDAQ-2021-008) (“Proposal”).

<sup>5</sup> 15 U.S.C. 78f(b).

<sup>6</sup> 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As explained above, the purpose of this proposal is to inform the SEC and market participants of the new implementation date for changing the primary and secondary source of quotation data for MEMX, and the Exchange does not expect the date change to place any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>8</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the

<sup>7</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

<sup>8</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
