1. Text of Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² NASDAQ OMX PHLX LLC (the “Exchange” or “PHLX”) is filing with the Securities and Exchange Commission (“Commission”) a proposed rule change for the NASDAQ OMX PSX facility of PHLX (“PSX”) to continue to accept inbound orders routed by Nasdaq Execution Services LLC (“NES”) from the NASDAQ OMX BX Equities Market of NASDAQ OMX BX, Inc. (“BX”), as described further below, for an additional six month pilot period.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of PHLX pursuant to authority delegated by the Board of Directors of PHLX on July 10, 2012. PHLX staff will advise the Board of Directors of PHLX of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

Questions regarding this rule filing may be directed to Edith Hallahan, Principal Associate General Counsel, at (215) 496-5179.

² 17 CFR 240.19b-4.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

Currently, NES is the approved outbound routing facility of BX, providing outbound routing to other market centers.³ PHLX and BX have previously adopted rules to permit PSX to receive inbound routes of certain orders by NES in its capacity as an order routing facility of BX.⁴ The Exchange specifically has adopted a rule to prevent potential informational advantages resulting from the affiliation between PHLX and NES, as related to NES's authority to route certain orders from BX.⁵ NES's authority to route these orders to BX is subject to a pilot period ending October 6, 2012.⁶ The Exchange hereby seeks to extend the previously approved pilot period (with the attendant obligations and conditions) for an additional six months, through March 30, 2013.

b. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁷ in general, and with Sections 6(b)(5) of the Act,⁸ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and

coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest, because the proposed rule change will allow the Exchange to continue to receive inbound routes of orders from NES, acting in its capacity as a facility of BX, in a manner consistent with prior approvals and established protections. The Exchange believes that extending the previously approved pilot period for six months is a sufficient length of time to permit both the Exchange and the Commission to assess the impact of the Exchange's authority to permit it to receive inbound routes of certain orders via NES (including the attendant obligations and conditions).

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The proposal is not controversial and does not significantly affect the protection of investors or the public interest, because it seeks to extend for a limited period a currently operating pilot program so as to allow the Exchange and the Commission to assess the impact of the Exchange's authority to permit it to receive inbound routes of certain orders via NES (including the attendant obligations and conditions).

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Furthermore, a proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹¹ normally does not become operative for 30 days after the date of its filing.

However, Rule 19b-4(f)(6)¹² permits the Commission to designate a shorter time if such

action is consistent with the protection of investors and the public interest. The Exchange requests a waiver of the 30 day period in order for the proposal to become operative on or about October 6, 2012 in order for the pilot program to continue without disruption, which should avoid confusion, consistent with the protection of investors and the public interest.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

Not applicable.
