3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to update its rules to delete Rule 108, Bids and Offers to Be Made Within Six Feet of Post. Rule 108 applied to both the equity and options trading floors for a long time. Now, there is no equity trading floor and the options trading floor is configured in a way that this provision does not make sense. The number of people on the options floor has decreased over time due to increased automation such that the layout of the floor is more compact. The Exchange does not believe that the number of feet is the relevant measure of where bids and offers should be made, because the number of feet is not determinative of whether crowd participants are aware of and can reasonably participate in crowd trades.

Instead, the Exchange relies on a number of other rules to ensure that the options trading floor operates in a fair and orderly manner. Specifically, Rules 110 and 1000(g) provide that bids and offers must be made in an audible tone of voice. In addition, Options Floor Procedure Advice C-7(b) provides that a Floor Broker must be loud and audible when representing a market and/or representing an order in the trading crowd. A Floor Broker must make reasonable efforts to position himself in the trading crowd to be heard by the majority of the trading crowd. A number of other provisions also refer to similar requirements, such as the loud and audible requirement.<sup>3</sup>

Accordingly, the Exchange believes that the rules relating to exposing orders in the options trading crowd in an audible manner are sufficient and that Rule 108 can be deleted.

---

<sup>3</sup> See Rules 1014(g)(v)(D)(1)(a) and 1064(a)(i).

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act<sup>4</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>5</sup> in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest by making clear that the bids and offers made on the options trading floor are not subject to a “six foot” rule but rather to the requirement that bids and offers occur in a loud and audible fashion. This should promote just and equitable principles of trade by helping ensure maximum participation from the trading crowd, including the opportunity for price improvement. The opportunity for price improvement should, in turn, protect investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposal applies equally to all participants in the options trading crowd.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

<sup>5</sup> 15 U.S.C. 78f(b)(5).

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)<sup>6</sup> of the Act and Rule 19b-4(f)(6) thereunder<sup>7</sup> in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The proposal to delete Rule 108 does not significantly affect the protection of investors or the public interest because its deletion merely updates the rules; the requirement to voice bids and offers within six feet of a trading post is no longer useful and, instead, various rules require bids and offers to be made in a loud and audible fashion, which is intended to protect investors. Nor does it impose any significant burden on competition, as explained above.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If

<sup>7</sup> 17 CFR 240.19b-4(f)(6).

the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

Not applicable.

9. Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act

Not applicable.

Not applicable.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update its rules to delete Rule 108, Bids and Offers to Be Made Within Six Feet of Post. Rule 108 applied to both the equity and options trading floors for a long time. Now, there is no equity trading floor and the options trading floor is configured in a way that this provision does not make sense. The number of people on the options floor has decreased over time due to increased automation such that the layout of the floor is more compact. The Exchange does not believe that the number of feet is the relevant measure of where bids and offers should be made, because the number of feet is not determinative of whether crowd participants are aware of and can reasonably participate in crowd trades.

Instead, the Exchange relies on a number of other rules to ensure that the options trading floor operates in a fair and orderly manner. Specifically, Rules 110 and 1000(g) provide that bids and offers must be made in an audible tone of voice. In addition, Options Floor Procedure Advice C-7(b) provides that a Floor Broker must be loud and audible when representing a market and/or representing an order in the trading crowd. A

Floor Broker must make reasonable efforts to position himself in the trading crowd to be heard by the majority of the trading crowd. A number of other provisions also refer to similar requirements, such as the loud and audible requirement.<sup>3</sup>

Accordingly, the Exchange believes that the rules relating to exposing orders in the options trading crowd in an audible manner are sufficient and that Rule 108 can be deleted.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act<sup>4</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>5</sup> in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest by making clear that the bids and offers made on the options trading floor are not subject to a “six foot” rule but rather to the requirement that bids and offers occur in a loud and audible fashion. This should promote just and equitable principles of trade by helping ensure maximum participation from the trading crowd, including the opportunity for price improvement. The opportunity for price improvement should, in turn, protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposal applies equally to all participants in the options trading crowd.

<sup>4</sup> 15 U.S.C. 78f(b).

<sup>5</sup> 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>6</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>7</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

---

<sup>6</sup> 15 U.S.C. 78s(b)(3)(a)(iii).

<sup>7</sup> 17 CFR 240.19b-4(f)(6).
