1. Text of the Proposed Rule Change

(a) NASDAQ PHLX LLC (“Exchange”) pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² is filing with the Securities and Exchange Commission (“Commission”) a proposal to amend the Exchange’s Pricing Schedule to update the Pricing Schedule in various ways, (1) remove unnecessary rule text and footnotes; (2) update names of Nasdaq exchanges to reflect a recent name change; (3) update the current definitions to add detail and rearrange rule text; and (4) rename the Payment for Order Flow Fee.

A notice of the proposed rule change for publication in the Federal Register is at Exhibit 1. A copy of applicable portion of the Pricing Schedule is attached hereto as Exhibit 5.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to update its Pricing Schedule in various ways, which are explained below, to clarify its pricing. The Exchange proposes to specifically (1) remove unnecessary rule text and footnotes; (2) update names of the Exchange to reflect a recent name change; (3) update the current definitions to add detail and rearrange rule text; and (4) rename the Payment of Order Flow Fee.

Remove Unnecessary Rule Text and Footnotes

The Exchange proposes to remove unnecessary footnote numbers throughout the Pricing Schedule. The rule text contained within the footnotes will remain in the Pricing Schedule, the actual footnote numbers are being removed because the Exchange believes they are distracting and do not add clarity to the Pricing Schedule.

The Exchange also proposes to remove the references to SOX, HGX and OSX in Section II of the Pricing Schedule, titled “Multiply Listed Options Fees,” because these symbols are currently only listed on Phlx and there is no confusion that they are Singly Listed symbols. These symbols were previously listed on The NASDAQ Options Market, LLC for some time, but this is no longer the case. SOX, HGX and OSX will continue to be subject to Section III pricing. The Exchange is also removing references to XDM, XEH, XEV and XDV in Section III, titled “Singly Listed Options,” as the Exchange no longer lists options overlying these securities. These rule changes are non-substantive.

Name Changes

The Exchange's name was recently updated³ from "NASDAQ OMX PHLX LLC" to "NASDAQ PHLX LLC." The Exchange is amending its name in the Pricing Schedule along with references to "NASDAQ OMX PSX," changing it to "NASDAQ PSX," and NASDAQ OMX BX, Inc.'s name will be changed to NASDAQ BX, Inc.⁴ The Exchange proposes to update these names within the Pricing Schedule. The Exchange proposes to remove all references to "OMX" within the Pricing Schedule. These rule changes are non-substantive.

Definitions

The Exchange proposes to relocate rule text currently located within the footnotes to the text of certain definitions so the Exchange may consolidate information. These rule changes are non-substantive.

Rename Payment for Order Flow as Marketing Fee

The Exchange is proposing to rename the "Payment for Order Flow" Fee or "PFOF" as the "Marketing Fee." The Exchange believes that this reference to this fee is more appropriate. This rule change is non-substantive.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that

³ See Securities Exchange Act Release No. 76654 (December 15, 2015), 80 FR 79396 (December 21, 2015) (SR-Phlx-2015-105).

it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by bringing additional clarity to the Exchange's rules regarding pricing.

Remove Unnecessary Rule Text and Footnotes

The Exchange's proposal to remove unnecessary footnote numbers throughout the Pricing Schedule will bring clarity to the Pricing Schedule. The Exchange believes that removing the actual numbers, while retaining the rule text, will remove these distracting footnotes and make the Pricing Schedule easier to read. Also, the Exchange proposes to remove the references to SOX, HGX and OSX in Section II, titled "Multiply Listed Options Fees," of the Pricing Schedule. This change is consistent with the Act and the protection of investors because these symbols are currently only listed on Phlx and there is no confusion that they are Singly Listed symbols. These symbols were listed on The NASDAQ Options Market, LLC for some time, but this is no longer the case. The Exchange's proposal to remove references to XDM, XEH, XEV and XDV in Section III, titled "Singly Listed Options," is consistent with the Act because the Exchange no longer lists options overlying these securities and removing these references will bring clarity to the Pricing Schedule. The Exchange believes that these rule changes are consistent with the Act because they protect investors and the public interest by clarifying rules.

Name Changes

The Exchange's proposal to update the Exchange's name, the references to PSX and NASDAQ BX and remove all references to "OMX" will also clarify the Pricing

Schedule by using the proper updated names. The Exchange believes that these rule changes are consistent with the Act because they protect investors and the public interest by clarifying its rules. These rule changes are non-substantive.

Definitions

The Exchange's proposal to relocate rule text within the footnotes will provide members with consolidated information in one place on the Pricing Schedule. The Exchange believes that these rule changes are consistent with the Act because they protect investors and the public interest by clarifying its rules. The Exchange is not altering the definitions; these changes are non-substantive.

Rename Payment for Order Flow as Marketing Fee

The Exchange's proposal to rename "Payment for Order Flow" Fee or "PFOF" as the "Marketing Fee" is consistent with the Act because this non-substantive change will not impact pricing and is simply a name change.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

Remove Unnecessary Rule Text and Footnotes

The Exchange's proposal to remove unnecessary footnotes throughout the Pricing Schedule, remove the references to SOX, HGX and OSX in Section II and remove references to XDM, XEH, XEV and XDV in Section III are non-substantive rule changes which will not impose an undue burden on competition.

Name Changes

The Exchange's proposal to update the Exchange's name, the references to PSX and NASDAQ BX and remove references to "OMX" are non-substantive rule changes which will not impose an undue burden on competition.

Definitions

The Exchange's proposal to relocate rule text currently located within the footnotes will provide members with consolidated information in one place on the Pricing Schedule. The relocation of the rule text is a non-substantive rule change which will not impose an undue burden on competition.

Rename Payment for Order Flow as Marketing Fee

The Exchange's proposal to rename "Payment for Order Flow" or "PFOF" as "Marketing Fee" is a non-substantive rule change which will not impose an undue burden on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not Applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁷ of the Act and Rule 19b-4(f)(6) thereunder⁸ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6).

any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange's proposal to remove unnecessary footnote numbers throughout the Pricing Schedule, remove the references to SOX, HGX and OSX in Section II of the Pricing Schedule and remove references to XDM, XEH, XEV and XDV in Section III of the Pricing schedule do not significantly affect the protection of investors or the public interest or impose any significant burden on competition because these are non-substantive rule changes. The Exchange's proposal to update the Exchange's name, the references to PSX and NASDAQ BX and remove all references to "OMX" does not significantly affect the protection of investors or the public interest or impose any significant burden on competition because these are non-substantive rule changes. The Exchange's proposal to relocate rule text currently located within the footnotes does not significantly affect the protection of investors or the public interest or impose any significant burden on competition because these rule changes are non-substantive rule changes. The Exchange's proposal to rename "Payment for Order Flow" Fee or "PFOF" as the "Marketing Fee" does not significantly affect the protection of investors or the public interest or impose any significant burden on competition because this is a non-substantive rule change.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) so that it may update its Pricing Schedule immediately to reflect these non-substantive changes and avoid investor confusion. The Exchange believes that it is important to immediately update its Pricing Schedule to reflect current proposed rule changes to that document. Also, the Exchange believes that the amendments will bring clarity to the Pricing Schedule.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission
