SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82649; File No. SR-Phlx-2018-15]

Self-Regulatory Organizations; Nasdaq PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Delete Cross-Reference to Rule 124(d) From Rule 1092

February 7, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 5, 2018, Nasdaq PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 1092, Nullification and Adjustment of Options Transactions including Obvious Errors, by deleting a cross-reference to Rule 124(d).

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Exchange Rule 1092 provides rules and procedures with respect to the nullification and adjustment of options transactions including obvious errors. Rule 1092(l) governs appeals to the Exchange Review Council of nullification and adjustment decisions by Options Exchange Officials.³ It provides that a party affected by a determination made under Rule 1092 may request the Exchange Review Council to review that determination "in accordance with Exchange Rule 124(d)." However, Rule 124, Disputes-Options, section (d) applies by its terms *only* to appeals to the Exchange Review Council of Options Exchange Official decisions regarding trading disputes occurring on, and relating to, the trading floor. In fact, Rule 124(a) specifically states that Rule 124 shall not apply to options transactions that are the result of an obvious error or catastrophic error as defined in Rule 1092, and that options transactions that are the result of an obvious error or catastrophic error shall be subject to the provisions and procedures set forth in Rule 1092.

The cross-reference to Rule 124(d) in Rule 1092 is therefore incorrect and inappropriate, and needlessly confusing. Moreover, it is unnecessary as Rule 1092 itself provides the necessary process for requesting and obtaining an appeal by the Exchange Review Council of nullification and adjustment decisions. The Exchange therefore proposes to remove the cross-reference.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market

³ An Options Exchange Official is an Exchange staff member or contract employee designated as such by the Chief Regulatory Officer. A list of individual Options Exchange Officials is displayed on the Exchange website. The Chief Regulatory Officer maintains the list of Options Exchange Officials and updates the website each time a name is added to, or deleted from, the list of Options Exchange Officials. In the event no Options Exchange Official is available to rule on a particular matter, the Chief Regulatory Officer or his/her designee rules on the matter.

system, and, in general to protect investors and the public interest, by removing an inappropriate and incorrect cross-reference to Rule 124(d) from Rule 1092, thereby providing market participants with a clearer description of the appropriate appeal process in Rule 1092.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The enhanced clarity of Rule 1092 resulting from this proposed rule change will benefit all market participants equally.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing,

including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
