1. Text of the Proposed Rule Change

(a) Nasdaq Phlx LLC (“Phlx” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to delay the implementation of SR-Phlx-2023-22.³

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to delay the implementation of a rule change to automate FLEX and Cabinet Orders. The Exchange previously filed SR-Phlx-2023-22, a rule change that amended several Phlx Options 8 rules related to Phlx’s trading floor.

FLEX Orders

With respect to FLEX Orders, SR-Phlx-2023-22 amended FLEX Orders in 3 ways. First, the Exchange amended the rules to require FLEX Orders to be reported into Phlx’s Options Floor Based Management System or “FBMS,” thereby further automating the execution and reporting of FLEX Options. All executed FLEX contracts will be reported to OPRA and sent to The Options Clearing Corporation (“OCC”) for clearing, similar to all other equity, equity index and U.S. dollar-settled foreign currency options orders executed on the Exchange’s trading floor. Second, the Exchange removed its RFQ process including the BBO Improvement Interval Process, with the rule change. Third, the Exchange reorganized Options 8, Section 34 to restructure the rule to include additional information which describes current FLEX trading on Phlx.

Cabinet Options

With respect to Cabinet Orders, SR-Phlx-2023-22 amended Options 8, Section 33 to require Cabinet Orders to be reported into FBMS. With this change, members and member organizations will be required to record all Cabinet Orders represented in the trading crowd into FBMS. All executed contracts will be reported to OPRA and sent to OCC for clearing similar to all other equity, equity index and U.S. dollar-settled foreign currency options orders executed on the Exchange’s trading floor.

SR-Phlx-2023-22 stated that the rule change would be implemented on or before March 29, 2024. At this time, the Exchange proposes to delay the implementation of SR-Phlx-2023-22 to on or before August 30, 2024, to permit the Exchange additional time to code and test the functionality. The Exchange would issue an Options Trader Alert announcing the exact implementation date to members and member organizations.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange's proposal to delay the implementation of SR-Phlx-2023-22 to on or before August 30, 2024, is consistent with the Act and the protection of investors and the general public as it will permit the Exchange additional time to code and test the functionality.

4. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to delay the implementation of SR-Phlx-2023-22 to on or before August 30, 2024, does not impose any burden on competition as it will permit the Exchange additional time to code and test the functionality.

⁵ 15 U.S.C. 78f(b)(5).

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period for Commission action.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)⁶ of the Act and Rule 19b-4(f)(6) thereunder⁷ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that the proposal does not significantly affect the protection of investors or the public interest nor does it impose any significant burden on competition because delaying the implementation will permit the Exchange additional time to code and test the functionality.

Furthermore, Rule 19b-4(f)(6)(iii)⁸ requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as

designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Third, the Exchange reorganized Options 8, Section 34 to restructure the rule to include additional information which describes current FLEX trading on Phlx.

Cabinet Options

With respect to Cabinet Orders, SR-Phlx-2023-22 amended Options 8, Section 33 to require Cabinet Orders to be reported into FBMS. All executed contracts will be reported to OPRA and sent to OCC for clearing similar to all other equity, equity index and U.S. dollar-settled foreign currency options orders executed on the Exchange's trading floor.

SR-Phlx-2023-22 stated that the rule change would be implemented on or before March 29, 2024. The Exchange's proposal to delay the implementation of SR-Phlx-2023-22 to on or before August 30, 2024 is consistent with the Act and the protection of investors and the general public as it will permit the Exchange additional time to code and test the functionality.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to delay the implementation of a rule change to automate FLEX and Cabinet Orders. The Exchange previously filed SR-Phlx-2023-22, a rule change that amended several Phlx Options 8 rules related to Phlx’s trading floor.

FLEX Orders

With respect to FLEX Orders, SR-Phlx-2023-22 amended FLEX Orders in 3 ways. First, the Exchange amended the rules to require FLEX Orders to be reported into Phlx’s Options Floor Based Management System or “FBMS,” thereby further automating the execution and reporting of FLEX Options. All executed FLEX contracts will be reported to OPRA and sent to The Options Clearing Corporation (“OCC”) for clearing, similar to all other equity, equity index and U.S. dollar-settled foreign currency options orders executed on the Exchange’s trading floor. Second, the Exchange removed its RFQ process including the BBO Improvement Interval Process, with the rule change. Third, the Exchange reorganized Options 8, Section 34 to restructure the rule to include additional information which describes current FLEX trading on Phlx.

Cabinet Options

With respect to Cabinet Orders, SR-Phlx-2023-22 amended Options 8, Section 33 to require Cabinet Orders to be reported into FBMS. With this change, members and member organizations will be required to record all Cabinet Orders represented in the trading crowd into FBMS. All executed contracts will be reported to OPRA and sent to OCC for clearing similar to all other equity, equity index and U.S. dollar-settled foreign currency options orders executed on the Exchange's trading floor.

SR-Phlx-2023-22 stated that the rule change would be implemented on or before March 29, 2024. At this time, the Exchange proposes to delay the implementation of SR-Phlx-2023-22 to on or before August 30, 2024 to permit the Exchange additional time to code and test the functionality. The Exchange would issue an Options Trader Alert announcing the exact implementation date to members and member organizations.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange's proposal to delay the implementation of SR-Phlx-2023-22 to on or before August 30, 2024 is consistent with the Act and the protection of investors and the general public as it will permit the Exchange additional time to code and test the functionality.

⁵ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to delay the implementation of SR-Phlx-2023-22 to on or before August 30, 2024 does not impose any burden on competition as it will permit the Exchange additional time to code and test the functionality.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the

In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
